1 - The Good News is Heaven is Paradise

In all my years on this spinning planet, whirling around our sun sixty-two times now, I have never once heard a full sermon about heaven. Preachers always preach up until death, then stop and never venture further. Nihil.

The *Catholic Catechism for Adults*, being a summary^[1] of the church's original catechism, describes heaven as *The Kingdom of God is the presence among human beings calling them to a new way of life as individuals and as a community*.

Jesus Christ, however, described the **Kingdom of God** and the **Kingdom of Heaven**, as a physical place. Even providing exact dimensions, length and heights of walls, construction materials, including what existed inside the walls, as well as details of the lives of the human spirits dwelling within. The **Tanakh (Old Testament)** gives even greater details about this heaven, specifically the actual **Throne of God**. Where God himself lives.

Isaiah 66:1

¹ *This is what the Lord says: "Heaven is my throne, and the earth is my footstool."*

Jesus Christ never preached about death and dying on the cross to buy us back from Satan despite our sins, as that was the Apostle's gospel, after the fact. The original gospel of **Jesus Christ** only focused on heaven, how to go there, and what people did once inside.

Sadly, most of the original gospel of **Jesus Christ** never made it into the bible. We have bits and pieces, but not the entire gospel. The **Sermon on the Mount** is the largest fragment that remained, only about three minutes of the sermon. But we know more about heaven today thanks to the era of near-death experiences, which started in the 1970's, with the publication of a now famous book,^[2] and ever since have added accounts from tens of thousands of others.

For those disbelievers in near death experiences, secular doctors have recently concluded the human brain is fully aware after death, and for periods well beyond the last vestiges of a dying brain.^[3] This was a profound milestone in the medical profession. It follows a general acceptance of *spiritual* sciences needing investigation, in addition to our *physical* sciences. This recent era of near-death experiences was foretold by the **Prophet Joel**.

Acts 2:16-18

¹⁶ *No, this is what was spoken by the prophet Joel:* ¹⁷ *"In the last days, God says, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams. ¹⁸ Even on my servants, both men and women, I will pour out my Spirit in those days, and they will prophesy."*

But what we have learned about heaven from near death experiences, is exactly what our **Holy Bible** and the **Holy Qur'an** describe in exact detail. Now therefore, this original gospel of **Jesus Christ** has been recreated from the scriptures alone, with only a few missing links coming from the study of near-death experiences.

I am now going to take you to heaven with words on paper so you can see for yourself. The reasons **Jesus** preached about **God's** heaven will become self-evident as I do now, because the truth of what is in heaven, explains everything down here on earth, in a way that lines everything up making perfect logical sense, in a eureka sort of moment.

2 - To Understand Heaven, You First Have to Understand Earth, As It Relates to Heaven

The Morning Stars

In all three faiths of the **God** of **Abraham**, the term *morning star* appears^[6] repeatedly, but is never fully explained. *Morning stars*, or evening or night stars, are **God's** highest level of hierarchical hosts.

Job 38:7

⁷ [God speaking] ...while the morning stars sang together and all the sons of God shouted for joy?

God revealed his order of hierarchical hosts when rebuking **Job** for complaining about his suffering, saying where were you when I created the earth, while the *morning stars* sang together, and all the sons of **God** shouted for joy. The *morning stars* come before and are higher in rank than the sons of **God**.

The *morning stars* have so much trust and authority, that they are attached to **God** himself. They become part of **God**. If you picture a **Lego**® block connecting to a **Lego**® board, such when the *morning star Lego*® block connects to the **Lego**® board of **God**, they actually become connected to **God** himself. And once glowing with the light of **God**, they can redirect the light of **God**, directly controlling events and people down here on earth. The *morning stars* have their own joystick to the game.

In **Revelation**, **Jesus** called himself the *Bright Morning Star*,^[6] because after **Jesus** returned to heaven, **God** was so pleased with his performance on earth, **God** made **Jesus** the *Bright Morning Star*, placing all the other *morning stars* directly under **Jesus**. This is how **Jesus** has full authority over the light controlling humans on earth. We know from scripture that **Moses**, **Elijah**, and **Satan** are also *morning stars*. There may be others.

What we perceive on earth as natural occurrences, like the wind, clouds, and rain, are actually three-dimensional computer simulations of matter and energy created by source code programmed by this bright light constantly flowing off of **God** and the *morning stars*. The word *glory* means *very bright light*. This *always flowing light* coming away from **God** is also called the *Holy Spirit*, or the *Spirit of God*. **God** uses this flowing light to make everything exist for us to interact with, while directly controlling every aspect of our lives.

When **Jesus** came to earth, he was more than a son of **God**, he was a *morning star*. Only the *morning stars* can do miracles, redirecting the light turning water into wine and directing the dead to come back to life. People would touch **Jesus**' clothes and be healed by the flowing light. **Elijah** was also a *morning star* performing miracles, raising the dead, and then transferred the light (spirit) to **Elisha**.

Once a *morning star* becomes connected to **God**, **God** cannot detach the *morning star* himself. Because **God** cannot part himself, or separate himself into pieces. But the *morning stars* can voluntarily detach themselves at any time. While connected to **God**, the *morning stars* are both one hundred percent (100%) **God** and one hundred percent (100%) themselves as created individual spirits. **Jesus** carefully explained his position as a *morning star*, saying *I and the Father are one*.

John 10:30

³⁰ [Jesus speaking] *I and the Father are one.*

Normally, if **God** wants a *morning star* to detach, they do so without question, but not with Satan. Once Satan became a *morning star*, because he was highly trusted and somehow earned the honor, at some point afterwards, Satan turned to the dark side. Satan started using the light of **God** to do evil things. This caused riots to break out in heaven, then an all-out war. Satan had to go.

Isaiah 14:12

¹² [God speaking] *How you [Satan] have fallen from heaven, morning star, son of the dawn! You have been cast down to the earth, you who once laid low the nations!*

But Satan refused to detach from **God**, not wanting to give up the great gig. **God**, however, using Satan's own tool of deception against him, deceived Satan into playing a game promising both sides would be absolutely equally matched. Such if Satan won, Satan could stay attached to **God** forever, but if **God** won, Satan would have to voluntarily detach from **God**, then suffer his spirit being extinguished forever when **God** cut off his light. Which **God** called the *second death*.^[41]

The Original Earth Battle Game Between God and Satan

The earth battle game between **God** and Satan, was **God's** genius plan of deception to force Satan into voluntarily detaching himself from **God** as one of the *morning stars*. So, **God** could then cut off the light keeping Satan's spirit alive, extinguishing Satan forever.

Sensing a ploy, Satan likely initially declined, but after learning more about **God's** proposed game, Satan eventually agreed. What convinced Satan the most, was **God's** playing the game using newly created spirits possessing animal bodies trapped in a deadly order that included death by slaughter, disease, pain, and fear. Along with angels and demons possessing and influencing the animal's free wills to battle it out until all were dead.

While **God** created the new spirits in heaven, being kept alive by the flowing light from **God**, Satan needed animal bodies that could bleed to death, feel pain, and be slaughtered. If Satan could influence all the animals on earth to just kill each other off like animals do until none were left, Satan won the game. But if **God** could convince all the animals to survive and live in peace with each other, **God** won the game.

The joint venture deadly order of earth was created with a strict equilibrium of 50%-good to 50%-bad, in a half domain of Satan, and half domain of **God**. Each animal was carefully designed by mutual agreement between **God** and Satan, with Satan making 50%-bad, to **God's** 50%-good, with each kind of animal.

Satan's 50%-bad of making all the animals on earth constantly needing food and water just to remain alive, by actually killing and eating each other, or they died instead, while **God's** 50%-good was making food grow from seeds rained by water. Animal sex (which is dangerous) was Satan's 50%-bad requirement to counter **God's** 50%-good requirement of creating new life. Animal bodies healing themselves was **God's** 50%-good to counter Satan's 50%-bad of making brain eating amoebas and flesh-eating bacteria.

Under the strict equilibrium of 50%-good to 50%-bad rules of the game (science describes this as for every action there is an equal and opposite reaction) both **God** and Satan took turns doing good and bad things to the animals. When Satan did something bad, **God** could do an equal amount of good. When **God** did something good, Satan was able to do an equal amount of bad. **God** could also save up his owed back good due from Satan to do a greater good later on. Likewise, Satan could save up his earned bad to do a greater bad later on. Conversely, **God** could purposely do some bad in order to earn some good, and Satan can do good in order to earn some bad.

Let The Games Begin!

The earth battle game started roughly 500 million years ago (time on earth is a highly manipulated variable) with the *Great Cambrian Explosion of Life*, where millions of animals suddenly appeared all

over the earth, over a period of time giving **God** and Satan enough time to intricately design each animal and set their rules of engagement.

The bloody dinosaur battle game, even though it dragged on for so long, obviously ended with no clear winner, sending both **God** and Satan back to the animal drawing board. What **God** needed to win the game were smarter more intelligent animals, who could figure out the game of survival beating Satan's advantage of killing them all off. Satan also wanted **God's** most intelligent animals, those who could kill millions of animals at once, with bombs and war.

But the risk Satan faced in allowing such super smart animals into the game, was those same smart animals could also make the decisions to not kill each other off like animals do, but rather live in peace and harmony with each other, as gentle spirits created by **God** are supposed to do. Even better, they could encircle the entire earth convincing all the animals to live in peace with each other, thus winning the game for **God**, which would then be followed by Satan's certain demise.

Eventually, both **God** and Satan agreed on a standard DNA strand for a few varieties of smarter animals, which when created in large enough numbers to achieve survival, Satan dispatched rather quickly, not leaving much behind for scientists to discover later. Even after several rounds of smarter animals, they too failed. Once it was clear the Neanderthals were not going to make it, **God** and Satan went back to the animal DNA drawing board for one last time.

God responded by going for the gusto, agreeing to make his most intelligent most loved spirits, but in only one kind of animal. Which Satan only agreed to after stripping away all fur, fangs, claws, poisons, burdened with soft feet, standing upright on only two legs, thus fully exposing genitals to enemies, and no protections for the head or neck. Satan also required several races with insignificant DNA differences, to make them herd together out of fear, and then kill off the other races, being unable to even live near each other. **God** agreed.

More Rules Were Required This Time

The old rules still applied of Satan scoring points by killing off the animals, while **God's** goal was for the animals to survive living in peace with each other, but a flood of new rules was required, and added to the game, due to the new super smart unique animal.

For Satan to agree on one super smart animal being the main focus of the game, **God** sweetened the deal by allowing Satan to keep each human spirit to burn in Satan's hells for all eternity, if Satan could convince humans to commit even one sin anytime during their earthly lifetimes. Instantly convinced he could do so, Satan agreed. But **God** required Satan to agree to a preset repurchase price for each human lost, in case **God** could build up enough owed-back good due from Satan from the suffering of the humans while still alive on earth. Satan agreed. **Apostle Paul** described this ransom repurchase price from Satan agreement.

1 Corinthians 6:20

²⁰ *you were bought at a price.*

1 Corinthians 7:23

²³ *You were bought at a price; ...*

Then came the agreement to strictly enforce the same 50%-good to 50%-bad equilibrium automatically maintained inside the deadly order of earth. Such each time **God** did something good, Satan got to inject an equal amount of bad somewhere. Likewise, when Satan did something bad, **God** got to inject an

equal amount of good somewhere, or **God** could save up the owed-back good to create a greater good to use later on.

Satan was dumb enough to agree to all of **God's** seemingly mundane requirements, not knowing **God** was setting up Satan's doom that far in advance. Because while Satan had no idea what each human would freely decide to do until actually done, **God** already knew well in advance what each human would freely decide to do, because no two particles of matter move without permission from **God**. Which Satan did not discover until well too far into the human endeavor.

An analogy would be playing a computer game with **God**, but where **God** was both the computer and programmer, and could make changes to the source code as the game progressed. Common sense would dictate that **God** had a clear advantage, but Satan was obviously not smart enough to know any better.

In the end times when **Elijah** returns as **John the Baptist**, the **Jewish Messiah**, and the **Islamic Mahdi**, **Elijah's** job will be to defeat Satan and deliver those on earth to **God**. Satan is defeated with everlasting peace. **God** laid out the purpose for humans on earth in **Genesis 3:15**. **God**, speaking to Satan about **Eve**, saying one of her offspring (**Elijah**) will *crush your head and you will strike his heel*.

Genesis 3:15

¹⁵ *And I will put enmity between you [Satan] and the woman [Eve], and between your offspring and hers; he [Elijah to come] will crush your head, and you will strike his heel.*

Satan Screwed Over by Jesus and Jewish Suffering

When Satan discovered the *morning star* **Jesus** was born alive inside his half domain of earth, Satan pooped his spirit. Satan's only hope was to convince **Jesus** to turn to the dark side too, joining forces against **God**. While Satan obviously did not know how **Jesus** would answer in advance, **God** certainly did.

This forced Satan to decide between either letting **Jesus** stay alive, risking him preaching peace to everyone on earth, thus winning the game for **God**, and Satan's own demise. Or, torture **Jesus** to death knowing his enjoyment killing a *morning star* and a **Jew**, would build up so much owed-back good due from Satan, **Jesus** would have enough loot to repurchase back from Satan every future **Christian** and **Muslim** lost to Satan's hells, for the ransom price of good **God** and Satan set before the game began. (Then the mutual suffering of all the other **Jews** on earth over thirty-five hundred years would be sufficient to buy back every other human that had ever lived on earth. This includes the eight billion humans still alive on earth today, along with the estimated one hundred billion humans^[30] already in heaven.)

Jesus preached and set the example of this **Jewish** suffering buying humans back from Satan despite their sins (the *forgiveness* of sin is a separate function,) thus fulfilling **God's** original promise to **Abram** that every human on earth would be blessed and saved by the **Jews**.

John 4:22

²² *[Jesus speaking] You Samaritans worship what you do not know; we worship what we do know, for salvation is from the Jews.*

This is how **God** fulfilled his original promise to **Abram**, and reinforced later to **Isaac** and **Jacob**, that the prolonged suffering of all the **Jews** on earth would be enough to buy back from Satan every human that ever lived on earth. No human ever alive on earth will burn in Satan's hell for all eternity, thanks to the suffering of the **Jews**. After Satan loses the game, and his spirit is extinguished, his hell goes with him. No more hell (**God** does not do permanent hell, **God** does the *second death*.) Therefore, Satan had no better choice than to slowly torture **Jesus** with a slow hypothermic death, while fully knowing his already once earned humans to burn in his hell forever, were then lost back to **God**. Satan had to scramble thereafter, just for the chance to save his own spiritual buttocks.

Satan was initially deceived by **God** setting up the rules of the earth battle game, then by having no idea of **God's** unfair advantage of foreknowledge, but then was royally screwed over by **Jesus** and his fellow **Jews** suffering buying back all those once lost humans. Humans that Satan was once convinced were his, otherwise he would have never agreed to begin **God's** suddenly unfair game effecting his now looming doom soon to boon for **God**.

Going To Heaven and Living Forever - Salvation Explained

Jesus revealed to **John** in **Revelation**^[13] the exact size dimensions of heaven. Described as a square walled city compound of two million square miles^[14] that exists in a void somewhere in the space-time continuum. With walls just over two hundred feet tall, and with twelve gates which never close, with each gate guarded by an angel.

Inside of heaven are cities, valleys, mountains, rivers of flowing light, abundant green growth everywhere, and streets of gold brick, all lined with large elaborate condo buildings also made of gold. In the back left corner of this holy garden city, is the throne of **God**, in an amphitheater miles across. Going to this heaven is accomplished by **God's** genius plan of salvation.

God's Genius Plan of Salvation Explained

God's genius plan of salvation to save every human that ever lived on earth, given the rules and limitations of the game with Satan, is a three-step process. **God** handles the first two himself, while our only required part is the third. The third part is so easy even a child can do it.^[15]

1. Jewish Suffering

First comes **Jewish** suffering to buy you back from Satan despite your sins. Per the rules of the earth battle game between **God** and Satan, in this 50%-good to 50%-bad half domain of Satan, whenever someone suffers something bad, **God** gets to do an equal amount of good. **God** saves up this owed back good due from Satan, to use later on for a greater good. The combined prolonged suffering of **Jews** for thirty-five hundred years, has earned enough owed back good due from Satan, to buy back every human that has ever lived on earth.

Thus, completely fulfilling **God's** initial promise to **Abram**, and then reinforced later to **Isaac** and **Jacob**. That everyone on earth would be blessed (saved) through his offspring. When **God chooses** someone, things tend to go very badly for them, for a long time, and only later do the blessings begin to flow.

The suffering of **Jesus** the **Jew**, with bones nailed to a cross to prevent shivering during a prolonged torturous hypothermic death, earned enough owed back good due from Satan, to repurchase every **Christian** and **Muslim** lost to Satan, *despite* their sins (not for the “*forgiveness*” of sin, as sin is forgiven when you repent and turn away from your sin.) While the suffering of all the other **Jews**, earned enough to repurchase themselves from Satan, along with everyone else that has ever lived on earth. Repeating this verse again, **Jesus** could not have made this any clearer.

John 4:22

²² *[Jesus speaking] You Samaritans worship what you do not know; **we worship what we do know, for salvation is from the Jews.***

Many **Christians** believe **Jesus** only suffered to buy back **Christians**, therefore non-**Christians**, like the **Jews**, will all go to hell. But this would nullify **God's** promise to **Abraham**, rendering **God** a liar. Therefore, what I am sharing with you now, fulfills **God's** original promise to **Abraham**, and closes the door on **God's** truth. You can recognize **God's** truth when everything lines up making perfect logical sense. When **God** closes every door he opens, you know the truth of **God**.

If you know anyone who hates **Jews**, they are doing the work of Satan. Anti-Semitism is a fictional delusion created by Satan, because there is nothing uniquely wrong with the **Jews**. There are only things uniquely right with **Jews**. Because the **Jews** saved your buttocks from burning in Satan's hell for all eternity. These **Jew** haters owe their very lives to those they hate. They are morons, falling for Satan's deception.

This is how **God's** words in **Zechariah** will be fulfilled in the end times, as everyone on earth will be so thankful for the suffering of the **Jews**, that an out pouring of love and affection will come upon every **Jew**.

Zechariah 8:23

This is what the LORD Almighty says: "In those days ten people from all languages and nations will take firm hold of one Jew by the hem of his robe and say, 'Let us go with you, because we have heard that God is with you.'"

2. Atonement (punishment) of Your Sins

Someone on earth must be punished for your sins, to *atone* for them, in order for you to go to heaven and live forever. Per the rules of the game, all sin must be *equalized* on earth for you to go to heaven (this *atonement* is a function of the game between **God** and Satan, and has nothing to do with the *forgiveness* of sins.) **God** regulates this punishment back upon people, spreading the punishment out on both the innocent and the guilty. Sometimes you end up atoning for your own sins, while other times you suffer the punishment for other people's sins. But all sin must be atoned for in order for you to go to heaven. *The sins of the father are born upon his sons* is an example of sin being atoned for by innocents. Sin cannot be *atoned* for until after the sinning occurs. No person can *pre-atone* for sin, only after the sinning can *atoning* occur.

Do not confuse the *atonement* (punishment) of sin with the *forgiveness* of sin. It was your sin that caused Satan to *win* you to burn in his hell forever, but thankfully **Jewish** suffering bought you back from Satan for a price despite your sins. Then someone on earth has to *atone* (be punished) for your sins, but this still does not *forgive* your sins. Your sins are *forgiven* when you repent (say you are sorry) to **God**, or repent to the person you harmed, and you turn away (stop) the sinning against them. Any and all

types of sin can be *forgiven* by being sorry and stopping the sinning, and if not done so on earth, it is done in heaven in **God's** final justice court. The **Jewish suffering** and *atonement* are functions of the game between **God** and Satan per the rules of the game, while the *forgiveness* of sins is a personal matter between you and **God** and those you harmed with your sins.

This *atonement* punishment for sins, whether for your sins or others, however, results in receiving more reward in heaven. All suffering on earth is rewarded in heaven. In the end times, once **Elijah** rises to power ushering in **God's** new and last covenant with the people of earth, **God's** regulation of punishment for sins changes where each person will atone for only their own sins. **God** does this because with only seven to ten years left on earth, there is not enough time left to spread *atonement* over future generations.

Lastly, the *atonement* (punishment) of sin cannot be reduced with acts of charity (doing good things.) The only way to lessen the punishment of sin is by repentance and turning from the sin, as this equalizes (extinguishes) the sin so it does not require *atonement*. Doing acts of charity (good things) only earns more reward in heaven to offset loss of reward in heaven due to the sin. *Atonement* is a function of the game between God and Satan, while reward in heaven benefits you personally.

3. Answering The Only Question Asked at The Gate of Heaven

The angel guarding the gate of heaven, called **New Jerusalem**, administers the entrance examination. Only one simple question is asked *Do you believe in God?* After answering *Yes* or *I do now*, you walk inside the gate of heaven and live forever. This ultra-simple task, is the third, and the only part of salvation that we must do ourselves. We have to recognize the *master of the house*, before we can go inside and live forever.

A person asked me if I was being literal about this one simple question asked at the gate of heaven. I answered, a doctor who had a near death experience^[16] from a white-water kayaking accident, remembered walking down a wonderful path and coming to a grand hall remote portal into heaven, where a spirit guide at the entrance asked her *Do you want to turn towards God, or turn away from God for the last time?* If you believed in **God** while on earth, the question is waived at the gate into heaven, but not always, sometimes it is asked anyway.

Many **Christians** believe *only faith alone in Jesus* saves a person, while faith alone in **God** does not. But this contradicts what **Jesus** actually preached. **Jesus** preached that *believing in God* saved a person. As in answering the only question asked at the gates of heaven.

John 5:24

²⁴ *[Jesus speaking] "Very truly I tell you, whoever hears my word and believes [in] him [God] who sent me has eternal life and will not be judged but has crossed over from death to life."*

In fact, **Jesus** had to battle the crowds who insisted believing *only* in **Jesus** saved a person. **Jesus** had to set them straight by actually yelling at them.

John 12:44

⁴⁴ *Then Jesus [screamed] cried out, "Whoever believes in me does not believe in me only, but in the one [God] who sent me."*

So, saying *only faith alone in Jesus* saves a person, is a lazy way of not paying attention to what **Jesus** actually preached. **Jesus** even made it very clear non-**Christians** were going to heaven.

John 10:16

¹⁶ *[Jesus speaking] I have other sheep [non-Christians] that are not of this sheep pen. I must bring them also. They too will listen [in the end times] to my voice [believe in Jesus], and there shall be one flock and one shepherd.*

Jesus also forgives those who do not believe in him.

Matthew 12:32

³² *[Jesus speaking] Anyone who speaks a word against [does not believe] the Son of Man [Jesus] will be forgiven,..."*

Muslim's have always been correct about the one simple question asked at the gates of heaven. "*Believe in Allah*" and "*Believers in Allah*" is one of the most repeated phrases **Muhammad** used throughout the **Qur'an**. When the angel guarding the gate asks a **Muslim** if they believe in **God**, they will answer yes automatically without thinking about it.

Jews were the first to believe in **God**. The **Passover** itself is emblematic of the only question asked at the doorway into heaven. The *blood of the lamb* on the doorpost recognizes **God** upon entering a doorway. All the **Christians**, **Jews**, and **Muslims** are going to the same heaven together, because they will all answer the one question asked with yes, so there was never a need to convert anyone to another faith.

God Is the Only Way to Heaven, While Jesus Is the Only Way to God.

The very first **Christians** called themselves followers of the *Way*, as in the only roadway straight to **God** himself. The *Way* was known as the *Nazarene sect*^[17] of **Judaism**. **Apostle Paul** at one point defended himself^[17] as an accused *ringleader*^[18] of the *Way*. **Jesus** taught these first **Christians** the true *[Road]Way* to **God** so well, they named their group the *Way*.

But getting past the angel guarding the gate of heaven is only the first step in the whole *[Road]Way* to **God**. After entering the gate and stepping foot inside of heaven, **Jesus** himself greets you with a smile and a hug, escorts you along the *[Road]Ways* of gold brick to your condo, answers all of your questions, and gives you your rewards. Then **Jesus** escorts you along the *Main Street [Road]Way* to the actual throne of **God** in the back left corner of heaven, into a large loud raucous party that never ends in a huge amphitheater miles wide. Full of millions of human spirits getting blasted by the light flowing off of **God**. Once inside the throne amphitheater eternity party, **Jesus** personally introduces you to **God** before millions of cheering humans. **God** then greets you with powerful words of love. These are the exact logical steps in the whole *[Road]Way* to **God**, that **Jesus** taught the first believers so well.

Jesus explained that each newly dead human spirit will meet him once inside the gate of heaven.

John 10:7-9

⁷ *Therefore Jesus said again, "Very truly I tell you, I am the gate for the sheep. ... ⁹ I*

am the gate; whoever enters through me will be saved."

The Most Misunderstood Verse in The Bible

Apostle John wrote of **Jesus** comforting his disciples by again teaching this whole logical *[Road]Way* to **God**, because **Jesus** was soon going back to his father's heavenly kingdom. Where **Jesus** would prepare a condo for each of them, then **Jesus** would greet each disciple just inside the gate, and escort them to their condo, then to **God's** throne party. Although some of the exact wording of this *[Road]Way* to **God** was muddled below, most remained.

John 14:1-6

¹ *[Jesus speaking] "Do not let your hearts be troubled. You believe in God; believe also in me."* ² *My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you?* ³ *And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.* ⁴ *You know the way to the place where I am going."* ⁵ *Thomas said to him, "Lord, we don't know where you are going, so how can we know the way?"* ⁶ *Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me."*

This *No one comes to the Father except through me.* has been taken quite literally to mean *those who do not believe alone in Jesus go straight to hell*. Which is incorrectly inferred due to taking the verse out of context.

Salvation Is by a Simple Profession of Faith in God

So, while a *simple profession of faith in God* is truly the only requirement to enter heaven and live forever, **Jesus** is truly the only *[Road]Way* to **God**, because **Jesus** personally greets and escorts each human spirit along the *[Road]Way* to **God** himself.

But because most of **Christ's** original gospel never made it into the bible, laziness eventually caused the early believers to abbreviate the words of **Jesus** into *faith alone in Jesus is the only way to heaven or you go to hell*. This contradicts what **Jesus** preached.

There is one verse^[22] that says those who reject **Jesus** "will not see life," but this falls apart when **Jesus** said he forgave^[23] everyone who rejected him. But since everyone will personally meet **Jesus** once they step inside of heaven, everyone will become instant believers, thus fulfilling scripture.

Philippians 2:10-11

¹⁰ *[Paul writing] "...that at the name of Jesus every knee should bow, in heaven and on earth and under the earth,* ¹¹ *and every tongue acknowledge that Jesus Christ is Lord, to the glory of God the Father.*

Prophet Muhammad's message of salvation was obviously one-hundred percent correct, having always been based on belief in **Allah**. As in *Do you believe in Allah?* And answering **Yes**. **God** beamed this simple message of salvation via light to the angel **Gabriel**, who transferred the light into **Prophet Muhammad** in the cave. **Muhammad** later recalled the light word for word, becoming the **Holy Qur'an**. Not one word was lost. But even when translated to English, not a word drops out of the simple

message, that salvation is solely based on belief in **Allah**.

Therefore, if everlasting life is gained by answering the one easy question with **Yes**, then only a denial of **God** by answering **No** can damn a person. Sin has nothing to do with it. Not after **Jesus** and **Jewish** suffering bought back every human from Satan, and all sin was atoned for by punishment of those living on earth.

What If You Answer the One Question with **No**?

The one easy question may seem like a formality, but **God** is very serious about it. If a person does answer **No**, **God** sends them to a temporary hell with horrors and terror, such the vanquished scream out for **God** to save them, *please God, save me!* **God**, hearing his name in the first person, proving belief by default, which answers the one question correctly, then **God** instantly saves the human. Simply by *calling on the name of the Lord*. Prophet Joel and Apostle Paul explained this *calling on the name of the Lord* saved a person, because it proved belief in **God**.

Romans 10:14

¹⁴ *[Paul writing] "How, then, can they call on the one they have not believed in?"*

Joel 2:32

³² *"...And everyone who calls on the name of the Lord will be saved;"*

Acts 2:21

²¹ *"...And everyone who calls on the name of the Lord will be saved."*

Romans 10:13

¹³ *"...for, "Everyone who calls on the name of the Lord will be saved."*

Do Atheists Answer the Question with **No**?

God especially loves the atheists, because the moment they are sent to a temporary hell, upon first pain, from first flame, creates an instant rush of belief. Keenly aware of where they were, such they instantly scream out for **God** to save them. **God**, who demands mercy, not sacrifice,^[20] happily saves the new believer. **God** will never leave one, nor forsake one, until they answer **yes**.^[20]

It is not true that everyone goes to heaven right away, as from the research into the study of near-death experiences, between six and ten percent go straight to a temporary hell, until they scream out to be saved, and then they are saved. So, eventually everyone will make it into heaven. If you have family members and friends who died unsaved, they are now, just as **God** saved them, with some encouraging fire.

Some **Christians** will profess we have to believe in **God** before we die, because it is too late once we die; just go to hell and say goodbye. This is not found anywhere in our **Bible**. It was an assumption based on ignorance of life after death, and a denial of the power, love, and humor of **God**. Only upon the *second death*,^[41] the death of the spirit, which is done by **God**, can a person's spirit be extinguished forever.

Who Else Goes to Heaven?

Every **Muslim** goes to heaven, being unable to answer the one question incorrectly. All **Jews** go to heaven automatically answering yes. **Catholics, Mormons, Baptists, Lutherans, Presbyterians, Pentecostal, Amish, Quakers, Shakers**, nondenominational, along with every other sub group; all go to heaven. If you ask a **Buddhist** if they believe in **God**, they will answer but of course; so off to heaven they go. The **Hindu** will answer yes, because they believe in lots of gods; so off to heaven they go. All thanks to **Jewish** suffering of course, buying back every human from Satan despite their sins.

The bragging rights in heaven, however, about those most theologically correct about going to heaven by believing in **God**, would fall on **Muslims, Jews**, and then the **Protesting Christians** who remained true to salvation from a simple profession of faith in **God**. **Catholics** were the most wrong, having a lifetime of heavy burdens and duties meaningless as to salvation. But such served beneficially as pain memory to not screw up the one easy question, when asked at a critical point in time.

So, going to heaven is the easy part. Never again question yourself about going to heaven or not, because you can never screw it up either. **It is impossible for you not to go to heaven.** The focus of your attention should be well after death, and far into heaven, such asking yourself what can you do now while still alive on earth, to earn more reward in heaven later. **Jesus** told us to focus on earning reward in heaven, because it lasted forever, unlike reward on earth being temporary, and lost completely upon death.^[24]

Understanding The Laws of God

Jews follow the *laws* of **God** (613+ of them) laid down in **Tanakh**, while **Christians** believe salvation comes from grace alone without need to follow all the 613+ *laws*. While **Jesus** preached all the *laws* must be followed, **Apostle Paul** gave lengthy explanations why the Gentiles were relieved from following all the *laws*. So, what gives with all these *laws*? What does **God** actually want from us?

God is playing a game with Satan. **God** wants to win the game by defeating Satan. We humans are expendable players in the game, so our job for **God** is to win the game by defeating Satan too. Since Satan wants to kill off all the humans to win the game, we must therefore keep all the humans alive. Satan wants to cause as much human suffering as possible since it leads to the death of humans, therefore, we humans want to reduce human suffering which extends human life.

All of **God's** 613+ laws, including the Ten Commandments, as well as **Jesus** saying the most important law is to love **God** with all of your heart and soul and love your neighbor as yourself^[25], as well as “*feed my lambs, care for my sheep, feed my sheep*”^[26] all have a purpose to **1) keep the humans alive**, and **2) reduce human suffering**.

In fact, this is the exact end times test “**David**” (**Elijah**) will teach us to apply towards all of the *laws*, customs, and religious practices of all three faiths as to which ones we are to continue doing or render them as optional.

Since Satan was counting on sexually transmitted diseases to wipe out the human race winning the game, **God** proscribed circumcision to remove the foreskin of a man's penis that can trap and hold

deadly germs to transfer to the next person spreading fatal diseases. The head of a circumcised penis can be wiped and washed cleanly to prevent such germ spreading keeping the humans alive. So yes, **God** wants every man to be circumcised, not just **Jewish** men.

The prohibition against eating pork was due to raw or poorly cooked pork being so deadly it can kill humans, but since the time of **Apostle Paul**, we knew how to safely handle and cook pork, so **Paul** said it was okay for everyone to eat (**Jews** and **Muslims** too.) **God** originally ordered circumcision and prohibitions against eating pork for **Jews** to keep them alive so they could suffer properly to buy back all those humans from Satan despite their sins.

But this same logic applies to keeping the Sabbath holy, which is resting from work one day in seven. When the game with Satan began, **God** knew humans would enslave each other and force them to work seven days a week without rest which only kills the humans. **God** wanted to keep the humans alive to win the game, so **God** still **DEMANDS** humans rest at least one day in seven to **STAY ALIVE**. And keeping this Sabbath rest “*holy*” (being most important) applies to every human on earth and not just the **Jews**.

Applying to the Ten Commandments, obviously “*Thou shalt not kill*” needs no explanation, and “*Honoring [taking care of] your parents*” when they grow old and feeble extends their lives, and “*Do not commit adultery*” avoids profound lifelong human suffering upon another human.

Jesus ordered Peter to “*Feed my lambs, care for my sheep, and feed my sheep*”^[26] performs both **1) keeping the humans alive**, and **2) reducing human suffering**.

This same two-point test can be applied to all 613+ **laws** as well as every religious custom and practice of all three faiths, to determine if the results help **God** win the game. If the **law** or practice only indirectly helps keep humans alive and/or reduces human suffering, or not all, then **God** does not require strict compliance.

Applying to LGBTQIA+ practices, two gay people in a loving relationship does not kill anyone and does not cause human suffering, while hating and stoning them to death kills humans and causes human suffering, therefore **God** and **Jesus** were correct, we are to love them, defend the oppressed, and take up their cause.

Old Mosaic **laws** like killing your wife upon finding out she was not a virgin at marriage, or killing adulterers, or killing gay people do not apply today not only because they violate **God’s** Ten Commandments against killing, and **God’s** “*desire for mercy, not sacrifice*.”^[27] but because they directly help Satan win the game against **God**.

Our treatment of the foreigner, the poor and homeless, the sick and disabled, inmates, other races, women, children, the aged, the mentally ill, and anyone else experiencing human suffering, oppression, and death are the **laws** **God** wants us to obey.

Requiring women to wear bags over their heads, baptism, communion, and all other religious practices and customs that do not keep humans alive and/or reduce human suffering are optional and some make **God** angry if they actually oppress and cause suffering. **God** wants you to spend your time and energy

winning the game, and not helping Satan deceive us with meaningless pursuits thinking they please **God**.

Understanding Satan's Deception

Satan's most often employed tool is deception, because it works every time. These human bodies our spirits possess are animals under the same burdens and constraints as all the other animals on earth, including avoiding being attacked and eaten by wild animals. A human body without food will not be one for long. If a human animal cannot have sex or masturbate, very, very bad things can occur.

In **God's** earth battle game with Satan, either the human animals would just kill each other off until none were left alive, or humans would rise above their animal, and resist killing each other off, then living in peace with each other. **Jesus** taught that doing the opposite of what was our first natural animal reaction, would result in the best possible outcome. Because doing what our animal naturally wanted to do produced the worst possible outcome. Having been so deceived by Satan.

Jesus taught us to love our enemies, and pray for those who persecute us.^[28] Our natural animal reaction is to hate our enemies, and attack our persecutors in defense then going on the offense. But the best possible outcome is achieved with peace, so **Jesus** was correct. **Christ's** logic of *the doctrine of opposites* here, is why **Jesus** is credited as being the most logical person in all of history. **God's** logic beats Satan's deception.

Newcomers to heaven are stunned and shocked to learn how deceived they were on earth, because life in heaven is the opposite of what they thought on earth.

As An Example: The Suicide Bomber

The suicide bomber is fooled into believing blowing people up will make **God** happy, only to immediately face in heaven all those they just killed, who immediately filed **final justice court** claims against them, taking all their reward. Leaving the bomber broke, and hated in heaven forever. Having been deceived by Satan, because deception worked every time.

Our Day of Slaughter

The way humans help **God** win the earth battle game to defeat Satan, is to just live and die naturally. **God's** goal for our lives is to suffer horrible things, and then be slaughtered like sacrificial lambs. Because from our suffering great bad, **God** earns great good. Therefore, life is a battle to the death for all of us.

In **Zechariah 11:7**, **God** called us his *sheep from the flock marked for slaughter*, while **Jesus** called us his sheep, and himself our shepherd, including our day of being slaughtered like sheep. **Jesus** said we must pick up our crosses and follow him daily.^[17] Having shown us how himself. Then explained later by **King David** and **Apostle Paul**.

Psalms 44:22

²² *Yet for your sake we face death all day long; we are considered as sheep to be*

slaughtered.

Romans 12:1 [A Living Sacrifice]

¹ *Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship.*

God's rain falls on both the good and bad.^[8] God uses both good people and bad people on earth to his benefit. Because each time a human suffers one hundred (100) units of bad, God gets to do one hundred (100) units of good. God combines the owed good due back from the suffering of many, to create an even greater good.

But when humans suffer something bad on earth, there comes a rebounding equal amount of good, paid later as reward in heaven, if not received on earth. Every injustice on earth, becomes justice in heaven, via God's final justice court awards. But the imbalance of little to no justice achieved while on earth, means God uses the owed back good to defeat Satan, but then promises us reward paid in heaven equal to the uncompensated imbalance of injustice from earth.

Reward In Heaven Is the Good News, but You May Have Some Regrets...

A newcomer to heaven laments:

"Oh, the heavenly regrets no one warned us about while alive on earth. If we had only known."

But Jesus warned us.

Matthew 12:36

³⁶ *[Jesus speaking] I tell you that on the day of judgment people will have to account for every careless word they speak.*

Why Must We Account for Every Word We Speak?

Because our entire lives are permanently recorded in heaven's version of *Netflix*[®], for anyone to watch, such nothing is hidden. Our entire lives can be rewound to any point in time, and then watched in real time, in three-dimensional space, and viewable from any angle. Not only can any part of our lives on earth be viewed, but also the very thoughts in our heads at the time can be heard as well. All creating some embarrassing situations, as you can imagine.

One level of reward, out of several, that we receive in heaven is called *final justice court awards*. Those denied justice on earth, will receive justice in heaven, because God promised justice for every wrong suffered on earth, for everyone. Once in heaven, you can review your life and watch each person who did you wrong on earth. Then you look them up in heaven, and file a final justice court claim against them. Coming before one of God's judges, or God himself, you confront your wrongdoer, and replay their life recording proving their guilt instantly. The guilty person is then sentenced to pay you something out of their reward, after apologizing and being forgiven. Because when God is your judge, forgiveness is mandatory, or we ourselves will not be forgiven.^[4]

As an example, if in the privacy of your bedroom while alive on earth, all alone, you spent five minutes hating your sister, wanting to tear her limbs from her body, once in heaven your sister can scan your entire lifetime for any moments of ill thoughts against her. Finding those five minutes, she can listen to your thoughts of wanting to tear her limbs from her body, and then take you to **God's final justice court** for final justice. Sitting in **God's** court, you have to listen to all five minutes of your hatred, then when found guilty, you have to pay her some of your reward as final justice. Final embarrassment court is a more suitable name.

The unknown person who stole your wallet on earth, will be found out in heaven's **final justice court**, and each person who shared in the money from your wallet will repay you with repentance. Each person who spit on you, plotted behind your back, or used your name in curses, will fully answer to you with apologies and recompense in heaven.

Once inside of heaven, **Jesus** himself gives us our many levels of reward, based on the good we did on earth, which can then grow even larger, or smaller, based on the outcomes of **God's final justice court** awards. But afterwards, our various levels of reward last forever. **Jesus** explained that although this life on earth was temporary, we should spend this life earning reward in heaven, because reward in this life was momentary and completely lost at death, while reward in heaven lasted forever.^[24]

Final justice court claims consume time when you first arrive in heaven, **Muslim's** called it **Judgement Day**, but it lasts longer than a day. But each time on earth, you thought you were alone, doing something believed hidden, will be broadcast to every universe for all eternity. Every lie will be rooted out and exposed, every action in the dark will come into the light.^[5] Everyone *will have to account for every careless word they speak* creating some real righteous regrets.

Reward in Heaven is Earned While Still Alive on Earth

God gives us several ways to earn reward in heaven, by doing good things while alive on earth, while we scramble to avoid our day of slaughter. **God** defines doing *good things* on earth differently than we mortals understand. If we do something good to a good person, we earn no reward in heaven. Because they can repay us. But if we do something good to a bad person, or a poor person, who cannot repay us, then we earn lots of reward in heaven. **Jesus** explained this in detail.

Luke 14:12-14

¹² Then He [Jesus] also said to him who invited Him, *"When you give a dinner or a supper, do not ask your friends, your brothers, your relatives, nor rich neighbors, lest they also invite you back, and you be repaid."* ¹³ But when you give a feast, invite the poor, the maimed, the lame the blind. ¹⁴ And you will be blessed, because they cannot repay you..."

If you do something good to a bad person, or refrain from doing bad to the bad person, you earn reward in heaven. Just as **Jesus** and **Paul** told us.

Luke 6:35

³⁵ [Jesus speaking] *But love your enemies, do good to them, and lend to them without expecting to get anything back. Then your reward will be great, ...*

Romans 12:20-21

²⁰ [Paul writing] *On the contrary: "If your enemy is hungry, feed him; if he is thirsty, give him something to drink. In doing this, you will heap burning coals on his head."*

²¹ *Do not be overcome by evil, but overcome evil with good."*

The uncompensated imbalance of little to no justice while on earth, along with great and prolonged suffering, only to end in an agonizing death, creates such a flood of riches and reward in heaven, it leaves us wishing our lives on earth were much worse than actually occurred.

If on earth you forgave someone of their sins against you, and did not punish them as the natural 50%-bad reaction, you earn reward in heaven. But once in heaven you will not take your wrongdoer to **final justice court** as usual, as you forgave them on earth, rather one of **God's** own judges makes your reward decision automatically. And your resulting reward is much higher than had you waited until **final justice court** to achieve justice. **God** is very strict about justice; every wrong will be compensated, whether you forgive them on earth or not.

Several Levels of Reward

We are rewarded in heaven for every tear shed here on earth. Five levels of reward in heaven have been scripturally identified, but there may be more. First, we receive a large **base inheritance** for just having lived and died. Then comes the **hardship bonus** based on how poor we were on earth, or suffered so. The poor on earth will be rich in heaven, while the rich on earth will have little or no hardship bonus in heaven. If people on earth were hated for any reason, like being LGBTQIA+, or hated due to race, or a foreigner, the hardship bonus is multiplied exponentially.

Next, comes the **reward for all the good we did** on earth. If you gave the bum on the street a buck, you get one hundred heaven dollars^[9] back in heaven, especially if the bum bought a beer with the buck. If you want to get your money into heaven, give away one percent directly to the poor while on earth.^[10] But if you give your money to a church, synagogue, mosque, or a charity, you get no credit at all, except for actual amounts of money given directly to the poor.

The fourth level of reward is **the return of all that was lost on earth**. Everything lost, stolen, burned in a fire, forced to sell, on earth is repaid one-hundred times greater^[9] than was lost.

Lastly, comes the **final justice court awards**. Where you put on mini-trial all those who did you wrong on earth, and they must pay you back out of their reward, after apologizing and being forgiven. Every careless word spoken against you, each ugly slur, all those who spit on you, will be paying you back in **final justice court** awards. Just as **Jesus** told us during the **Sermon on the Mount**, the largest fragment of **Christ's** original gospel.

Matthew 5:11-12

¹¹ [Jesus speaking] *Blessed are you when people insult you, persecute you and falsely say all kinds of evil against you...*¹² *Rejoice and be glad, because great is your reward in heaven...*

Therefore, you can increase your ultimate reward in heaven by doing more good things while alive on earth, and doing less bad things to people, so they will not make final justice claims against you. Good comes from doing away with the bad, as a lack of bad is good.

But either way, for all of your toils and troubles on earth, while avoiding your day of slaughter, you will reap a bounty of reward in heaven to enjoy for all eternity, because it never diminishes over time. Unlike reward on earth that diminishes and is left on earth.

Therefore, the wisdom on earth is to always act admirably towards others, thus avoiding final justice claims against you. And to always assume you are standing before your own jury, defending your every word, action, and thought, because you will be doing just that, forever. The goal is to have fewer regrets in heaven, thus more reward forever.

3 - God's New Jerusalem vs. Earth's Jerusalem?

John in **Revelation**^[29] called heaven *New Jerusalem*. Where **God** sits on his throne in his kingdom. **God's** promise of **Jerusalem** to the **Muslim**, **Jew**, and **Christian**, is not the **Jerusalem** of stones and bones in Satan's half domain of earth, doomed to become star dust once again. But rather **God's New Jerusalem** with streets of gold brick, and overflowing green gardens, which will last forever, and currently holds up to one hundred billion human spirits.^[30]

Jesus called heaven the *Kingdom of Heaven* and the *Kingdom of God*. **Apostle Paul** visited **New Jerusalem** during his near-death experience on the road to Damascus, calling it the *Third Heaven*.^[32] When **Apostle Paul** returned he was blinded by the bright light of **God** for three days, having experienced something so profound, **Paul** only wrote about it once, and referred to himself in the third person.

2 Corinthians 12:1-4

¹ *I must go on boasting. Although there is nothing to be gained, I will go on to visions and revelations from the Lord.* ² *I know a man in Christ who fourteen years ago was caught up to the **third heaven**. Whether it was in the body or out of the body I do not know—God knows.* ³ *And I know that this man—whether in the body or apart from the body I do not know, but God knows—* ⁴ ***was caught up to paradise and heard inexpressible things, things that no one is permitted to tell.***

Lest they thought he was insane. **Paul** obviously felt the light of God, and heard the music of one hundred million angels singing, and met with Jesus and all the prophets. **Paul** later referenced in his letters the knowledge he received calling it a “*revelation*” that he received directly from **Jesus**.

Prophet Muhammad had a lengthy near-death experience visiting **New Jerusalem** and meeting with **Jesus** and all the prophets, and lastly with **God**. While **Paul** did not reveal very much about his visit, **Muhammad** did reveal quite a bit. Found in the Hadiths and mention in the **Qur'an**, **Muhammad** gave descriptions of seven heavens with meetings with the prophets, and upon arriving at the seventh heaven, meeting with **God** himself. One of the meetings **Muhammad** had was with both **Jesus** and **John the Baptist (Elijah)** together (It is common to find **Jesus** and **Elijah** together, as they both came to earth together two thousand years ago, and they both pair up once again in the end times to defeat Satan and

deliver all those on earth to **God**.) But **Muhammad's** extensive night of visiting heaven is celebrated each year as **Isra and Mi'raj**.

Prophet Muhammad's description of the light of **God**, and **Apostle Paul** calling heaven the *Kingdom of Light*, supports **Jesus** saying heaven was full of the *People of the Light*.^[33]

4 - What Light?

When you look at **God** on his throne, all you see is bright white light flowing away at a high velocity, like a **brilliant star**. Such you cannot quite make out any face or form, being overpowered by the constantly flowing light. The light looks like bright white clouds, but more transparent than clouds, more like fog. Blasting away from **God** at hurricane force speeds.

Prophet Muhammad traveled in spirit form to **God's New Jerusalem**, and viewed **Allah** on his throne, in the back left corner of heaven, in an amphitheater miles across. Then gave us in the **Holy Qur'an** the best direct description of **God**, as defined in Surah 24.

[24:35] *Allah is the Light of the heavens and the earth. The Parable of His Light is as if there were a Niche and within it a Lamp: the Lamp enclosed in Glass: the glass as it were a brilliant star:...Light upon Light!*

God being a *Brilliant Star* with *Light upon Light* explains how the *morning stars* (**God's** highest level of hierarchical hosts) can redirect the constantly flowing light from **God**, thus directly controlling events down here on earth. **God** made **Jesus** the *Bright Morning Star*^[34], putting all the other *morning stars* under **Jesus**, upon return to heaven in case another *morning star* turned to the dark side like Satan did. If that occurs **Jesus** just detaches from **God** taking all the other *morning stars* with him. No more earth battle games needed. But this gives **Jesus** full authority over humans on earth.^[35]

Prophet Daniel witnessed this throne of **God** too, and described the bright light constantly flowing off of **God**.

Daniel 7:9-10

⁹ *As I looked, thrones were set in place, and the Ancient of Days [God] took his seat.*

His clothing was as white as snow; the hair of his head was white like wool. His throne was flaming with fire [bright light], and its wheels were all ablaze. ¹⁰ A river of fire [bright light] was flowing, coming out from before him.

Apostle John was also accurate in describing God.

1 John 1:5

⁵ ... *God is light* ...

And as Apostle Paul wrote of his near-death experience on the road to Damascus visiting the *kingdom of light* when he was *caught up to the third heaven*^[36] wrote:

Colossians 1:12

¹² ...and giving joyful thanks to the Father, who has qualified you to share in the inheritance of his holy people in the *kingdom of light*.

Prophet Muhammad described the two main benefits received in heaven as *the reward and the light*. As found in Surah 57 of the Holy Qur'an.

[57:19] ...those who believe in Allah... They shall have *the reward and the light*.

The *reward* received in heaven makes sense, but why would the *light* be a major benefit equal to reward? Because the light gets you high like a drug. When the light blasts into you, a rush of euphoria greater than any drug found on earth, leaves you too weak in the knees to even stand, such you slump down gyrating in pure ecstasy, having finally arrived in paradise. And the light does no harm coming directly from **God**, unlike drugs on earth where Satan got his equal amount of bad, even killing the people for feeling good.

The Intoxicating Light of God

The closer one is to **God**, the greater the rushing light at hurricane force speeds, that increases the rush of euphoria. Such millions of human spirits are partying before **God** on his throne, listening to the thunderous music from one hundred million angels singing.^[37] It is the eternity party. How much time each human spirit is allowed to spend at the throne of **God** party, depends on how much reward they earned while alive on earth. But this explains why Prophet Muhammad said the benefits of heaven were *the reward and the light*, because both are highly valued.

The Light of Life

John 8:12

¹² *I [Jesus] am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.*

Ah, the *light* drives *life* itself. This *life light* constantly flowing away from **God**, creates and controls everything **God** owns, in all his unlimited number^[38] of other universes. **Jesus** being the *Bright Morning Star* redirected the life light from **God** performing miracles while alive on earth.

Luke 6:19

¹⁹ *and the people all tried to touch him [Jesus], because power [light] was coming from him and healing them all.*

This constantly flowing life light keeps our spirits alive with electricity, creates angels who perform duties, causes cells to divide and multiply, makes small seeds grow into large trees, and even controls the words that come out of our mouths.

Just as **Jesus** promised, **Pentecost** brought **God's Holy Spirit** life light to the disciples and initial group of believers. First their house began to shake from the thunderous sounds of angels singing, then clouds of bright white light filled their entire room, such individual streams of light blasted into each disciple, filling them with the euphoric life light. This has been incorrectly depicted in pictures as small flames above their heads, when it was more like a blast from a fire hose. Others standing outside accused the disciples of being drunk on alcohol, but they were drunk on the light. And speaking in the foreign languages of the many nearby world travelers, such the gospel reached each person individually in their own language.

Acts 2:1-4 & 13

¹*When the day of Pentecost came, they were all together in one place.* ²*Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting.* ³*They saw what seemed to be tongues of fire [light] that separated and came to rest on each of them.* ⁴*All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them. ...* ¹³*Some, however, made fun of them and said, "They have had too much wine."*

The author of **Hebrews**, later described this life light at **Pentecost**.

Hebrews 10:32

³²*Remember those earlier days after you had received the light, when you endured in a great conflict full of suffering.*

What a **Muslim** calls the **Light of Allah**, and a **Christian** and **Jew** call the **Holy Spirit**, are one in the same.

The agreement between **Christianity**, **Islam**, and **Judaism** comes into clear focus under the **Light of God**, as the same light shines on all three. And all three will be in the same heaven together, getting blasted by the life light at the party that never ends. In the meantime, our challenge on earth is to deny Satan victory by hating and killing each other. Our job for **God** is to defeat Satan, not each other.

5 - The Son of Man, Son of God, Bright Morning Star, Elijah, and the foretold *Union*

Many **Christians** are zealously awaiting **Jesus Christ** to return any day now. Convinced the current conditions of our world indicate fulfillment of scripture, I remind them that **Elijah** has to come before **Jesus Christ** returns.

For **Christians**, **Elijah** will be the return of **John the Baptist** (to pave the way for **Christ's** return.) To **Jews**, **Elijah** will be the long-awaited **Jewish Messiah**. And to **Muslims**, **Elijah** will be their **Mahdi**. **Elijah** will, therefore, create the foretold **UNION**^[70] between the three faiths of the **God of Abraham**, for the sole purpose of defeating Satan using peace.

Elijah who comes as “**David**” will implement **God's** last covenant of worldwide peace^[71] that never ends. Lasting peace wins the game for **God**, while constant war wins the game for Satan. When **God** wins the game, Satan goes to the *second death*.

Once Satan is defeated, **God**, **Jesus**, and the other *holy ones* come down to earth landing on the Mount of Olives.^[72] To pump clouds of bright light over the entire earth, taking every human on earth (all will believe in **God** by then) up to heaven, in *chariots of fire (light)* just like **Elijah**. This is when you will meet **Jesus** in the clouds of bright light,^[73] which has been nicknamed the *rapture*.

So, during the end times after Babylon falls (**David (Elijah)** defeats **Gog** and **Magog**.) there will be **Four Spirits (or Winds) of Heaven**^[74] ruling the universe to defeat Satan using peace. In heaven is **God** on his throne, and **Jesus** is attached to **God** as the **Bright Morning Star**. **God** and **Jesus** direct the light controlling everything down on earth. Then as boots on the ground down on earth, are **David (Elijah)** and **Mother Mary**^[75] ruling as King and Queen with an iron scepter.^[76] The foretold wedding of **David (Elijah)** and **Mary** is not a sexual marriage, rather **God** establishes their authority on earth.

The dynamic duo of **Jesus** and **Elijah** returning once again, along with **Mary** and **God** make four (4) commanders of the end times to defeat Satan. Each of these four heavenly warriors are in positions of greatest power and effectiveness.

Why did **Jesus** and **Elijah** come to earth two thousand years ago? If **Jesus** came as the **Jewish Messiah** back then, it turned out badly, as **Elijah** was beheaded, and **Jesus** was crucified. So much for forever ruling the earth with lasting peace. Did **God** set them up for failure on purpose? According to scripture, yes. Why?

Because there are *Two Olive Trees* and *Two Shepherds* in God's grand plan

God's grand plan to defeat Satan and save us all from Satan, consists of two **Messiah's** coming to serve those on the earth. The two **Messiah's** are **Jesus** and **David (Elijah.)** Who teamed up together the first time as **John the Baptist** and **Jesus**, then will return again as the cleanup team in the end times to defeat Satan.

Zechariah 4:11-14

*¹¹ Then I asked the angel, "What are these two olive trees [Jesus & Elijah] on the right and the left of the [golden] lampstand?" ¹² Again I asked him, "What are these two olive branches beside the two gold pipes that pour out golden oil [to make light]?" ... ¹⁴ So he said, "**These are the two who are anointed to serve the Lord [God] of all the earth.**"*

"Then I [God] took two staffs and called one FAVOR and the other UNION"

Zechariah 11:4-14 - Two Shepherds

⁴ *This is what the Lord my God says: “Shepherd the flock marked for slaughter.... ⁷ So I [God] shepherded the flock marked for slaughter, particularly the oppressed of the flock. Then I took two staffs and called one **Favor** [for Grace, Jesus] and the other **Union** [Elijah], and I shepherded the flock. ... ¹⁰ Then I took my staff called Favor [Jesus] and broke it, revoking the covenant I had made with all the nations. ¹¹ It was revoked on that day, and so the oppressed of the flock who were watching me knew it was the word of the Lord. ¹² I told them, “If you think it best, give me my pay; but if not, keep it.” So they paid me thirty pieces of silver. ¹³ And the Lord said to me, “Throw it to the potter”—the handsome price at which they valued me! So I took the thirty pieces of silver and threw them to the potter at the house of the Lord. ¹⁴ Then I broke my second staff called Union [Elijah], breaking the family bond between Judah and Israel.*

The first shepherd named **FAVOR** (or **Grace**) was **Jesus Christ**. **Jesus** suffered a slow hypothermic death to buy us back from Satan, despite our sins, setting down in the record **Jewish** suffering producing salvation. But **Jesus** also came to earth to defeat Satan, being the sole purpose of the earth battle game.

Luke 19:10

¹⁰ *For the Son of Man [Jesus] came to seek and to save [buy back] the lost.*

1 John 3:8

⁸ ... *The reason the Son of God [Jesus] appeared was to destroy the devil's work.*

God set **Jesus** up to fail coming as a decoy **Jewish Messiah**, which **Jesus** never claimed publicly, only alluded to in his real purpose to create division (not peace like the **Jewish Messiah** will.)

Luke 12:51

⁵¹ *Do you think I [Jesus] came to bring peace on earth? No, I tell you, but division.*

What does this **division** mean? **Jesus** purposely created a **division** in the body of believers of the **God** of **Abraham**, creating **Christianity**. Which spread among the Gentiles like wildfire consuming the known world. Then **God** purposely created a third division in body of believers with **Islam**. **God** purposely set these three constantly warring divisions of the one **God** of **Abraham** against each other (fooling Satan into allowing all three to grow even larger) until the end times foretold **UNION** when all three suddenly come together creating a world super majority to mutually defeat Satan using peace thus winning the game for **God**.

The second shepherd **David** (**Elijah**) named **UNION** will bring together this foretold genius plan of unity.

Isaiah 19:24-25

²⁴ *[God speaking] In that [end times] day Israel [Judaism] will be the third [faith of the God of Abraham], along with Egypt [Christianity] and Assyria [Islam], a blessing on earth. ²⁵ The LORD Almighty will bless them saying "Blessed be Egypt [Christianity] my people, Assyria [Islam] my handiwork, and Israel [Judaism] my inheritance."*

This **UNION** (technically an Intersection) is what is common among subgroups, and is not a **joining** or **merging**. The definition of this foretold **UNION** is a mutual agreement on only two things. One, we worship the same **God**. Two, we will all be in the same heaven together. Further agreement on anything else is optional.

In heaven we will be judged as to how we treated each other while alive on earth. This is known as **judgment day**. It actually consists of trials for each injustice suffered while alive on earth. Therefore, in order to better our position and reward in heaven, we should start treating each other like best friends forever now, otherwise there will be hell to pay in heaven and on our new earth later.

Jesus wants to be known by a new name in the end times

After **Jesus** successfully completed his mission on earth, **God** promoted **Jesus** from the **Son of God** to the **Bright Morning Star**. Where all the other **morning stars** are under **Jesus**. Establishing **Jesus** as number two in heaven and seated to the right side of **God**. **Jesus** now wants to be known by his new name. What is this new name **Jesus** wants to be called?

Revelation 3:12

[Jesus speaking] ...I will write on them [Elijah] the name of my God and the name of the city of my God, the new Jerusalem, which is coming down out of heaven from my God; and I will also write on them my new name.

This new name for **Jesus** is found in **Revelation 22:16**. In the last verses of the **Bible**.

Revelation 22:16

[Jesus speaking] ...I am the Root and Offspring of David, and the Bright Morning Star.

Jesus purposely used the terms **Son of Man** and **Son of God** to tie into prophetic scripture from the **Hebrew** prophets. But all humans on earth are sons and daughters of [a] man, obviously. And since the flowing light from **God** keeps all of our human spirits alive, we are all direct **Sons and Daughters of God**. **God**, **Job**, **Jesus**, **Paul**, **Peter**, **John**, and **James** called all of us the **Children of God**.

1 John 3:1

¹ *See what great love the father has lavished on us, that we should be called children of God! And that is what we are!*

In fact, **God** said we were all **gods**. With a small **g** of course. Because the light of **God** keeps our spirits alive, making all of us a small part of **God** himself.

Psalms 82:6

⁶ *[Quoting God] "I said, 'You are "gods"'; you are all sons of the Most High.'"*

John 10:34

³⁴ *Jesus answered them, "Is it not written in your Law, 'I have said you are "gods"'? ...Why then do you accuse me of blasphemy because I said, 'I am God's Son'?"*

Therefore, what makes **Jesus** unique (the one and only) and the number two in heaven, is not from being a *son of man*, or a *son of God*, but rather the **Bright Morning Star**. Being directly attached to **God**, redirecting the light, the second in command in heaven, and sitting on his throne to the right side of **God**. When **Jesus** said he was in the **Father**, and the **Father** was inside of him, **Jesus** was describing being the **Bright Morning Star**.

John 14:11

¹¹ *[Jesus speaking] Believe me when I say that I am in the Father and the Father is in me;*

This shines light on **John 3:16**.

John 3:16

¹⁶ *For God so loved the world that he gave his one and only Son [Bright Morning Star], that whoever believes in him [believes what Jesus preached] shall not perish but have eternal life.*

The above verse was based on **John's** understanding of the gospel at the time it was written, long before **Jesus** later laid down the correction in the book of **Revelation**, clarifying his true new authority and name.

God in **Psalm 2:7** said to the **Jewish Messiah (Elijah)** to come, after his defeat of Babylon (**Gog and Magog**) *You are my son; today I have become your father*. In the same way **God** promoted **Jesus** after his successful mission on earth from *Son of God* to **Bright Morning Star**, **God** in the end times promotes **David (Elijah)** from *Son of Man* to *Son of God*. But the sermon the servant shepherd **David (Elijah)** will deliver, is that we are all the **Children of God**, not just **Elijah** or **Jesus**.

God and **Jesus** have waited until now to make all of this clear, even though it has been in our **Bible** for two thousand years.

With the above as a preface to first understanding earth, as it relates to heaven, let us now go to heaven using words on paper.

6 - First Comes Dying on Earth

The happiest day of your life will be the day your human body dies on earth. Because that starts your real life. Death has been described as waking up from a bad dream thankful it was over, and feeling more alive than you ever felt while alive on earth. Like you were born again. This life on earth is the warm-up life, temporary and fleeting, which when viewed from the next life, leaves us wondering why we spent so much time in that hard, dull, and difficult life on earth.

When Do You Die?

You have to remember, **God** is playing a game using you as a sacrificial player. **God** wants to win the game, and better your position in heaven, so life on earth will result in death.

Just when and how you die is up to **God** obviously, but over the course of a lifetime, there are a dozen or so moments where you come very close to death, but just squeak by each time with your very life. These evenly spaced **check out points** require **God** to decide before each one, to either pull the plug on you, or to save your life once again, because **God** had more work for you to do while on earth. Many of these **check out points** are unknown to you. Some being on a microscopic level of bacteria and virus, while others are more obvious. Experiencing a close call while driving a vehicle, which left you startled and gasping for air, meant **God** clearly had more work for you to do while on earth. Because once your work is done, so are you, at the very next check out point.

The Moment of Death

God has a morbid sense of humor, and hangs out at the intersection of life and death. Eager to love and reward those he gave over to Satan to abuse and kill. Love is the most powerful force in **God's** many realms. You are aware of this the moment you die, because all the pain instantly stops, and is fully replaced with a rush of intense love and euphoria, making you feel better than you ever felt while alive on earth.

If you were on your deathbed waiting to die, when dead relatives suddenly appeared in the room, you had already died, because they were there to take you to heaven. They were excited for your death, along with a whole party of gathered people for your huge homecoming **reunion**. Apple Computer founder Steve Jobs' last reported words before he died were **Oh wow, oh wow, oh wow!**^[39] Then he died. What Steve Jobs saw coming for him must have been impressive, even beyond Steve's own demand for greatness.

The Human Spirit and Soul Spirit

Zechariah 12:1

¹ A prophecy: The word of the Lord concerning Israel. The Lord, who stretches out the heavens, who lays the foundation of the earth, and who forms the human spirit within a person, declares:

Each human has a human spirit; inside of which is your soul spirit. Your soul spirit makes you alive as pure *consciousness*, while your human spirit is more like a coat worn by your soul spirit, making you a human animal.

The soul spirit is described as a tiny spot of bright light surrounded by an orb of electricity about the size of a soccer ball, centered in the middle of your brain. The soul spirit is powered by the flowing light of **God**, which becomes the constant power supply to heat and power the human body. The digestion of food does not create electricity, nor the amount of heat required to keep your body constantly warm.^[40] Blood passing through your brain is heated by your soul spirit.

The human spirit is the same size and shape as your human body, only transparent, being made of electricity powered from your soul spirit, which is kept alive by the flowing light of **God**. Your name, who you are, your language, the input from all of your senses, and your life's memories are stored in your human spirit.

Together these spirits possess and control all functions of the physical human animal body. The human brain is like the flight deck of a jumbo jet airplane, with lots of knobs, buttons, and levers. The human spirit, powered by the soul, is the pilot, without which the plane cannot fly by itself.

Apostle Paul explained it better than I can.

1 Corinthians 15:44

⁴⁴...*If there is a natural body, there is also a spiritual body.*

Our physical human animal bodies are only hosts for our human spirits, because bodies alone are dead and useless. A doctor will only declare someone dead when no more electricity is found in their body. Their electricity moved on, because spirits are powered by the flowing light of **God**, so they are always alive and cannot die, unless **God** cuts off the light, which is called the *second death*.^[41]

In the same way your human and soul spirits possess your physical human animal body, any number of other spirits can possess your physical body along with you. Because they too, are also tiny spots of bright light electricity, locating themselves in the center of your brain. Angels who take orders from **God**, and demon angels who take orders from Satan, can jump inside of you, and depart, and you have no idea anything is occurring. Even spookier, is once they possess your body with you, their thoughts they put in their minds are perceived by you to be your own thoughts. They do your thinking along with you.

7 - When Your Spirit Pops Out of Your Body

When your physical human animal body dies, your spirits pop out of your body, then your spirit's senses automatically take over. Your spirit's eyesight is far more powerful, like an eagle, and can see sharper colors in more aspects, than your human body eyes could. Your nose is more powerful, and your hearing is supersonic and subsonic. But you can remember everything in your life on earth, every single day of your life, even recall time in the womb. You have arms, legs, fingers and toes, a head, and a torso, but

you are transparent, a spirit made up of electricity. When you touch your transparent arm, you feel a tingling electrical field, with tiny sparks of light.

You no longer have sexual organs, because those were only attached to the physical animal body left down on earth. Sex was Satan's demand for his half of something bad, to counter **God's** half of good creating new life. **Jesus** explained human spirits are like the angels in heaven, they do not have bodies with genitals.

Matthew 22:30

³⁰ ***At the resurrection [once in heaven] people will neither marry nor be given in marriage; they will be like the angels in heaven.***

Therefore, you experience no sexual urges, nor experience mental illness. You do not eat food, are never hungry, and never urinate or defecate. No virus, no bacteria, no cancer, no illness, nor any of the other curses which came from possessing a physical animal body trapped in a deadly order where no one got out alive. You are truly free for the first time ever. Like you were born again^[42] into a new life, but feeling like you had finally arrived at what being alive was all about. So, while the body that came from the earth is returned to the earth, the spirit that was created in heaven, returns home to heaven.

You Are Also No Longer Possessed by Angels and Demons

You are also no longer possessed by angels and demons. Near-death experiences reveal that every human has one angel and one demon, who remain with them for life. A guardian angel and a guardian demon. Many people are shocked learning this, but it actually explains why each person, no matter how pious, can do both good and bad things.

In fact, a person's very personality is made up of themselves, their angel, and their demon. Their angel makes them love others, while their demon yells, curses, and hates people. The goal is to ignore your demon, and trust your angel. Most people know their demon very well, and only bring out their demon when necessary. If you were to encounter a stranger in a darkened alley, asking them "are you friend or foe?" You are asking them should you use your angel with them, or get your demon.

A person's sexual orientation is determined solely by their demon, as angels have nothing to do with sex. There is no holy sex, because **God** considers sex just another bodily function burden, a compromise with Satan, and is tolerated because so few can resist their sex demon. But **Jesus** demanded celibacy for believers,^[43] and **Apostle Paul** told men not to have sex^[44] and to stay unmarried, as was he. It is amazing how many **Christians** have accepted the practice of marriage today, and engage in carnal sin. There are still **Protestant** preachers who refuse to marry couples. **Jews** and **Muslims** can marry, but **Christians** cannot.

But when you think to yourself in your head, or ponder a decision with pros and cons, what you perceive as your own thoughts, are really you, your angel, and your demon having a meeting in your head. Thinking back and forth to each other. If you decided to rob a bank, but then decided not to, due to risk of resulting prison, it was your demon with the bad idea, and your angel who argued against your demon. Angels influence you to do good things, while demons influence you to do bad things. Thus scoring points for their masters, in the earth battle game.

Dreams while sleeping occur because your soul spirit does not sleep, neither does your angel or demon. So, they play video games in your head to entertain themselves, until your human body wakes up to allow them to get back to work. Angels do good dreams, while the demon has their 50%-bad time for nightmares. Some dreams are **God** telling your angel to deliver a message, or it could be your demon feeding you misinformation to deceive.

Therefore, finally being free from your demon for the first time ever, leaves you feeling great; strong and energized. You are about age 33^[45] once again, and will remain so forever.

The Inky Darkness and The Far-Off Light

While enjoying your newfound wave of feeling great, your spirit will travel through quantum dimensions between here and there, wherever there may be from here. But when you see some light far off in the distance, get excited, because you now know why the light is enjoyable. Very much so. Go for the light. The light is **God**.

As the light grows brighter, you will start to hear the sounds of a large chorus singing, until the light and sounds cause vibrating euphoria with visual ecstasy. The word *glory* means *very bright light*, so the *glory* of **God** is where the light takes you.

Your Grand Reunion

Your friends and family from earth who are in heaven, are notified in advance of your pending death, such they gather in a large group in a temporary heaven spot, and wait to greet you before you even get to heaven. These homecoming *reunions* are grand occasions, with lots of hugs, and flowing joy. You are most pleased learning everyone you knew on earth who died, was in heaven, such not one person was missing.

Your Spiritual Guide

At some point you will meet your *spiritual guide*, who will escort you all the way to the gate or portal of heaven. Sometimes your spiritual guide is an unknown relative who happily volunteered. Children lost by miscarriage, abortion, or unknown pregnancy, but fully grown, are the most prevalent.

Your Life Review

Everyone will go through what has been collectively called a *Life Review*, either before or after entering heaven. A different and unknown spiritual guide goes through your entire life with you, replaying before your eyes, each one of your sins.

Each sin is displayed in three-dimensional space before you, watching the person you hurt. Feeling like a heel, your spiritual guide then says in a loving gentle voice, that you were forgiven, and very much loved by **God**. Every sin is forgiven with this same loving kindness. Just as **Jesus** told us.^[46]

Ironically, the only sins that seem important to **God** were those where another human, or other living

animal, suffered hurt and anguish, either physical or mental. The sins causing mental hurt are focused on longer than physical hurt. But sins where no human suffered any harm, never come up in the life reviews.

The post analysis clearly reveals *hating* someone, and *punishing their sins* are **God's** two points of greatest anger. Punishing sin is what got **Jesus** wrongly killed. Inmates who spend decades in prisons where the conditions of confinement are set to torture, wind up rich in heaven forever, due to their suffering on earth for so long, because their sins were forgiven anyway. Criminals executed by the government are among the wealthiest in heaven, and are sent to heaven right away to start enjoying their reward without delay.

But while **God** forgives every sin, you still have to face those you hurt in **final justice claim court**, once inside of heaven. People problems on earth become people problems in heaven. The **Bible** and **Qur'an** collectively call this **Judgment Day**. But judgment day occurs every time a human dies, and is routinely processed through multiple steps of judgment, forgiveness, and then final justice claim court. Humans do not remain dead underground, until they are all resurrected together on one common judgment day. **God** is very efficient, even when purposely simplifying complex issues to be understood by mortals.

8 - Arriving at The Gates of Heaven

Reports from the research of near-death experiences, support two forms of entrances into heaven. The first is a large grand gate highly decorated, and glowing from the light shining outward. The entrance-way leading inside is actually small compared to the grand size of the gate. The long walls on either side of the gate fade off into the distance, being 12,000 stadia long (1,380 miles.) The wall is just over two hundred feet tall, and dark gray in color, appearing to be made of some sort of metal never seen on earth, looking more alien if anything. **John's** words in **Revelation** indicated the wall was over a thousand

miles tall, and two hundred feet thick, but this was an error in wordage somewhere along the way.

The second form of entrance is a remote portal, reported as a grand hall in a garden center. But both have an angel guarding the entrance. The angel's duty is to administer the entrance examination. One question is asked, but with differing phraseology based on the person required to answer. The question is effectively; do you believe in **God**? Those who believed in **God** while on earth, have the question waived at the gate, and you just walk inside. But sometimes the question is asked anyway, and we do not know why.

No other questions are asked, nothing further is required. The heavy lifting of salvation, the hard part, has already been done for you. Done from **Jewish** suffering and atonement of sin, leaving your only requirement being the one easy answer to the one easy question. What you firmly believe theologically, other than answering this one easy question, is your own entertainment, being meaningless as to salvation. Anything beyond this one question is religious baggage. Which just closes the gates of heaven in people's faces, which **Jesus** bitterly accused the preachers back then of doing.^[47]

One modern day Baptist Church^[48] filled a webpage with hundreds of words explaining a complex process of salvation. Compiled from dozens of verses writing: ***In its broadest sense salvation includes regeneration, justification, sanctification, and glorification...*** This religious baggage is nonsense, because only one question answered yes gains salvation. Apart from answering yes, **God** is less concerned with what you believe and how firmly you believe it, and is more concerned with your actions towards others. As the only proof of creeds are the meads of deeds.

The unnecessary religious baggage that we have created in **Christianity, Islam, and Judaism**, is okay if done to show our love for **God**, but must never be placed as requirements to enter heaven. Only the one question is required. Thanks solely to the suffering of the **Jews**, and the atonement of sin (someone on earth must be punished for your sins) while on earth, leaving your only part being the one easy question. Adding further requirements for salvation just shuts the gates of heaven in people's faces.

Meeting Jesus for the First Time

As you walk through the small entrance-way in the large ornate gate, the light grows brighter, until you step inside of heaven for the first time, to witness **Jesus** standing before you, with a huge smile. His clothes are glowing white robes, his appearance is as you have imagined him, and the light flowing away from him hits you with euphoria, while his charisma is electrifying. Your smile is as big as his. If you had never believed in **Jesus** while on earth, or had no idea there was one, the surprise and instant love is even grander. **Jesus** loves to see the shock on people's faces. Like on Candid Camera[®] kind of shock. It is recorded forever too.

How Can Jesus Meet Every Newly Dead Human Spirit Individually, Can Jesus Replicate Himself?

Yes and no. Time elapses differently in heaven, then on earth. Earth time is the slowest possible time, passing by at a steady rate ever forward. But a thousand years elapsing on earth, can be like one day in heaven time.^[49] Time is just a variable in **God's** math equations, and is highly manipulated. But **God**, **Jesus**, and the other *morning stars*, have access to a special kind of time zone. Such each can focus only

on you full time, always there with you, always listening, laughing with you, crying with you, for your entire lifetime. And they do the same for every other human, individually. Because what we see on earth around us every day, with people going about their daily lives, is really a combination of many individual time periods, running concurrently as viewed from our time perspective.

This is how **God**, **Jesus**, and the other *morning stars*, can *appear* to be in the same place at the same time. In heaven too.

Jesus Takes You to Your Condo

Jesus takes you to your condo, because he has prepared it especially for you since the day you were born.^[50] **Jesus** is excited for the grand reveal. You and **Jesus** walk side by side down and along the streets and roadways of heaven made from bricks of solid gold.

Heaven being 1.96 million square miles in area, about the size of the bulk of the United States, has many cities, hills, valleys, mountains, green growth, and rivers of flowing light down each street. The sky is inky darkness with no sun, moon, or stars. The light constantly flowing off of **God** inside the throne of **God**, first blasting the human spirits with euphoria, then pools and gathers, to finally flow out of the amphitheater as one raging river with rapids of light.

This raging river of light then flows through the base of the tree of life, causing everything to grow, then flows down a long wide **Main Street** of heaven. The light is distributed throughout heaven via side streets, then flows up and into each individual condo, being the only source of illumination^[51] for the entire two million square miles of heaven.

The layout of streets and buildings is by master plan, but not unlike what human city planners have designed. With major arteries and side streets, all paved with solid gold bricks. With city blocks of ornate columned condo buildings also made of gold, and about five to seven stories tall. Plants and flowers grow over everything, green gardens abound. The light makes everything grow and bloom.

Street intersections have traffic circles similar to earth, but everyone walks everywhere, and uses heaven's version of the subway. Instead of a fountain in the center of the traffic circles, there is a round dark pad which you step upon. Which instantly moves you through quantum dimensions to reappear stepping off of the pad closest to your destination. You can go anywhere in heaven quickly for free, and without travel delays.

Heaven is more than halfway full already.^[52] But there are private estates and mansions, with lakes of light to swim in, or along banks of rivers of flowing light. Hills and mountains are also sought after, because the closer your condo is to **God** at his throne, the more light flows inside. Which makes them better places for entertaining, having extra light for all of your guests. Just where and how close your condo is located, is another benefit tied to the reward you earned while alive on earth, but was paid in heaven.

The tallest mountain is home to the six million **Jews** slaughtered by Adolph Hitler. Those vanquished back then, now have the best view close to the throne party, and have been basking in the light ever since. Injustice on earth becomes justice in heaven.

The slums in heaven are not full of Black people, rather white people who hated Black people, putting them in slums on earth. The lowest floors with the least amount of light, are reserved for those who

hated people on earth. Injustice on earth becomes justice in heaven.

Many **Christians, Jews, and Muslims** today hate gay people, believing **God** hates them. While not knowing that **God** uses gay people to test believers, to decide where their condo in heaven was going to be located and how much reward they will enjoy on our new earth. As **Jesus** said, **God** sends angels to test us throughout our lives.^[53] The gay people on earth end up with mansions in heaven, which block the light going to the slums of those who hated them on earth. Injustice on earth becomes justice in heaven.

Those most wealthy on earth have no condo in heaven, rather a tent in a field. Which was more than they gave the homeless sheep on earth outside their door in the cold all night. This is why **Jesus** said it was nearly impossible^[54] to get the wealthy into heaven, because they barely got inside by the thinnest of margins. Injustice on earth becomes justice in heaven.

But if you do not like your condo, you can use some of your reward to upgrade, by cutting back elsewhere. Or trade with someone else. Friends can live near each other, and groups with common interests can locate in neighborhoods together.

Jesus told us there was no marriage in heaven because human spirits are like the angels, and do not have animal bodies with attached genitals. So, married couples have condos for each partner, but can be next door to each other if desired. Along with children nearby, each in their own condo. Generations of family members can live near each other. But everyone is about age 33, forever.

For entertainment there are sporting events, but everyone is equally skilled, so it comes down to clever deception. Concerts, plays, theater, and new movies just received from earth are popular. Large banquet halls open to the sky, to let in the light, serve the grand feasts of heaven, so often referred^[55] to by the prophets. But food is not consumed, rather the food is full plates, heaping trays, and overflowing glasses of light, voraciously gorged upon in wave after wave of euphoria. While laughing about how gory their deaths were on earth, they enjoy friends, thanking **God** they were no longer on earth.

There are no churches, mosques, or synagogues in heaven, no preachers who have never been to heaven before. There is no praying because you talk back and forth with **God** all day long. Which makes for some righteous conversations.

Your reputation in heaven is based on what you did on earth, both good and bad. If you were known on earth for doing something good, you will be known in heaven for having done good on earth. But those who did something good on earth that no one witnessed, or gave recognition, will become the unsung heroes who are the break-away most famous in heaven. Same with those who gave money to the poor anonymously.^[56]

If you were wealthy on earth, and did not give money directly to the poor, you will be hated in heaven, forever. But if you were wealthy, and gave all your money directly to the poor, leaving you broke, you will be a smash-hit super hero in heaven. This is why **Jesus** set the tithing rate^[57] at one hundred percent, saying give all your money directly to the poor. Because it made us rich in heaven. **Jesus** was looking out for our best interest.

How Large Is a Condo?

Different translations of the **Bible** use words such as *rooms* or *mansions*, but I use the term *condo* due to the size. Although a condo on earth can be small and cramped, the condo in heaven is more like a grand ballroom in a palace. With ceilings twenty or thirty feet tall, in a room of four times the dimensions, with one or two walls of all windows opened to the outside. To not block any of the flowing light of **God**, which enters and swirls around you and your guests seated to catch the best intoxicating rays. Sofa's and chairs provide seating, while tables display and hold hobby items.

There is no kitchen because you do not eat food. The light keeps you alive and happy, quite literally. **Jesus** explained he was the life light,^[58] and the bread of life, whoever ate his body of light, and drank his life light, would live forever.^[59] Living water was also a reference to this flowing light. His point was the light keeps us alive.

There is no bathroom because you do not urinate or defecate like animal bodies do. There are no beds because you never sleep. Nor are there days and nights, nor weeks, months, and years. Time is delineated in other formats, unknown at this point.

You have no closets with clothes to wear, not having a physical human body to hang them on. Spirits are made of electricity and are transparent, but you have full control over how you appear to others. You appear to others as yourself at age 33, but you can change how old you look, so those who remembered you on earth at a certain age can recognize you. You design the electronic clothes you appear wearing and can adorn with electronic jewelry. No make-up is ever needed being perfectly blemish free, forever young and skinny, but you can body paint electronically, and change electronic tattoos at any time.

You do, however, have large closets to hold your hobbies. If on earth you had an enjoyable hobby, say crafts, artwork, collections, wood or metal work, painting, and sewing; in heaven you will have the same pleasures and enjoyment. But with an unlimited supply of materials, you store in your closets.

Communication with others is either by voice sound waves as usual, or you just *think* to a person and they can hear it. They then *think* back to you. Instead of an iPhone® to call someone, or a remote control to watch television, everything is controlled by looking where you want the image to appear, then thinking in your head what you want to watch. If you want to call Mary, you just look up and think *call Mary*. Mary appears and you talk. Same for watching a movie. **God's** library consists of every movie, concert, song, video, and home movie ever recorded on earth. Unlimited access is part of your reward you receive in heaven.

We know those in heaven have access to recorded media from earth, the very moment it is recorded on media, because of the sequence and untimely deaths of musicians, comedians, and actors.

Those in heaven convinced **God** to kill Whitney Houston in a bathtub^[60] while high as a kite, because those in heaven were selfish, and wanted Whitney to sing live in person, at the throne of **God** party. They were tired of the recordings. Whitney, sensing some clout, wanted her daughter with her, missing her so much, so **God** killed her daughter^[60] in a bathtub, while high as a kite, three years later than Whitney. Killing Michael Jackson was the demand of billions. **Star Wars**® is the most beloved movie in heaven, with the power of the *force* (the light!) and *dark side* with *Darth Vader*. **God** was convinced

again but waited until days after Carrie Fisher finished her last book, before Princess Leia became the very same age again, wearing the same outfit, instantly appearing before millions of cheering fans. Leaving Carrie perhaps thinking about having just been on an airplane at thirty thousand feet over earth.

This ganging up of people in heaven wanting **God** to kill someone on earth, to get them to heaven because they miss them so much, works the same way prayer does on earth. When we pray on earth, it redirects the light of **God** to affect what we prayed for. Just as the **morning stars** can redirect the light of **God** to control events on earth, so can our prayers. Such it is possible something cannot occur unless we pray for it. And the more people who pray for the same thing, the more-light of **God** flows, thus resulting in a greater chance of fruition.

When You First Walk Inside Your Condo

When **Jesus** takes you to your condo, and you first step inside, all of your beloved pets on earth are there to greet you. You will always have them around you, except for times when they join their kind for play in their many heavens. But you can communicate with them in the same language for the first time ever, which creates some interesting dialog.

If on earth you owned any small keepsakes, or mementos, artwork, gifts, or items with special memories, that perhaps were lost or stolen, or burned in a fire; each time they were lost to you, **Jesus** put them inside your condo for you. In heaven **God** only does things to make you very, very happy, and never again does things like he did to you down on earth. **God** is going to spend all eternity making it up to you.

You and **Jesus** then sit down facing the incoming flow of light, and **Jesus** explains everything and answers every question you have ever had on earth. **Jesus** explains how everything works in heaven. How to get around, change condos, call someone, watch shows, and listen to music. Then **Jesus** gives you all of your rewards.^[61] **Jesus** explains how final justice court claims work, in both directions.

Jesus Personally Takes You to The Throne of God Party

After you have no more questions, **Jesus** takes you to the throne of **God** light party, via the quantum dimensional subway to Main Street. The light flowing down Main Street coming out of the throne is a torrent headwind which slows you down. Because as the light increases, so does the euphoria. Avoiding stalling from being stunned by the light, you finally enter the arena of the throne of **God**, into an enormous amphitheater miles wide. Located in the back left corner of heaven, **God** is on a grand stage in the corner, **Jesus** is seated to his right.^[62] Twenty-four **elders**^[63] are on their thrones before **God**. On either side of the throne are one hundred million angels^[64] in stands, singing with voices sounding like musical instruments never found on earth.

The moment you enter, the power of the thunderous music hits you just after the light does. **Jesus** then addresses **God**, saying something like ***Father, I am proud to announce to you [your name.]*** **God** then says something like ***Well-done thou good and faithful servant! Welcome home, join the party, enjoy some light!*** As a wave of cheers flows out over tens of millions of humans, you peer towards **God** trying to make out a form within the brilliantly flowing star light. For an instant you thought you made out a face with a smile, but the light overpowered your focus. But focusing in on **Jesus** far away on his throne to the right side of **God**, causes you to turn around looking for **Jesus**, but he was gone.

Feeling truly loved for the first time, while enjoying the euphoria from a heavenly drug more powerful than any on earth, you look around in awe and think to yourself, I have finally arrived, at what being alive, is all about.

You too will feel the light - forever.

Amen.

[4] Forgiveness is mandatory:

Matthew 6:15

¹⁵ *But if you do not forgive others their sins, your Father will not forgive your sins.*

[5] Every action in the dark will come into the light:

Luke 8:17

¹⁷ *For there is nothing hidden that will not be disclosed, and nothing concealed that will not be known or brought out into the open.*

Luke 12:3

³ *What you have said in the dark will be heard in the daylight, and what you have whispered in the ear in the inner rooms will be proclaimed from the roofs.*

[6] See Qur'an 86:1-3 [The Morning Star], Bible; Job 3:9, Job 38:7, Isaiah 14:12, 2 Peter 1:19, Revelation 2:28, Revelation 22:16.

Jesus called himself the "**Bright Morning Star**:"

Revelation 22:16

¹⁶ *"I, Jesus, have sent my angel to give you this testimony for the churches. I am the Root and the Offspring of David, and the bright Morning Star."*

[7] Jesus commanded us to pick up our crosses daily, and be sacrificed like a lamb, see:

Luke 9:23

²³ *Then he said to them all: "Whoever wants to be my disciple must deny themselves and take up their cross daily and follow me."*

[8] God's rain falls on both the good and bad:

Matthew 5:45

⁴⁵ *... He causes his sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous.*

[9] God's reward payback ratio is 100-to-1, to that which was lost or given away on earth:

Matthew 19:29

²⁹ *[Jesus speaking] And everyone who has left houses or brothers or sisters or father or mother or wife or children or fields for my sake will receive a hundred times as much and will inherit eternal life.*

Mark 10:29-30

²⁹ *"Truly I tell you," Jesus replied, "no one who has left home or brothers or sisters or mother or father or children or fields for me and the gospel 30 will fail to receive a hundred times as much in this present age: ..."*

[10] Earn reward in heaven by giving to the poor on earth:

Luke 18:22

²² *When Jesus heard this, he said to him, "You still lack one thing. Sell everything you have and give to the poor, and you will have treasure in heaven. Then come, follow me."*

[11] & [12] Omitted on 8/17/2019.

[13] & [14] Exact size dimensions of heaven:

(1,379 miles squared is 1.96 million square miles. The walls are 216 feet tall, not 1,379 miles tall and 216 feet thick.)

Revelation 21:15-17

¹⁵ *The angel who talked with me had a measuring rod of gold to measure the city, its gates and its walls.* ¹⁶ *The city was laid out like a square, as long as it was wide. He measured the city with the rod and found it to be 12,000 stadia [1,379 miles] in length, and as wide and high as it is long.* ¹⁷ *The angel measured the wall using human measurement, and it was 144 [216 feet] cubits thick.*

[15] Salvation is so simple a child can do it:

Matthew 18:3

³ *And he said: "Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven."*

[17] Paul defending himself:

Acts 24:14

¹⁴ *[Paul speaking] However, I admit that I worship the God of our ancestors as a follower of the Way, which they call a sect.*

[18] Paul is a leader of the Way:

Acts 24:5

⁵ *...He [Paul] is a ringleader of the Nazarene sect [The Way].*

[19] Omitted 8/17/2019.

[20] God demands mercy, not sacrifice:

Hosea 6:6

⁶ *[God speaking] For I desire mercy, not sacrifice, and acknowledgment of God rather than burnt offerings.*

Matthew 9:13

¹³ *[Jesus speaking] But go and learn what this means: 'I desire mercy, not sacrifice.' For I have not come to call the righteous, but sinners."*

Matthew 12:7

⁷ *[Jesus speaking] If you had known what these words mean, 'I desire mercy, not sacrifice,' you would not have condemned the innocent.*

[21] Omitted 8/17/2019.

[22] Verse gives indication rejecting Jesus results in hell, but is defeated when Jesus said he forgives those who reject him:

John 3:36

³⁶ *Whoever believes in the Son has eternal life, but whoever rejects the Son will not see life, for God's wrath remains on them.*

[23] Jesus forgives all those who do not believe in him. The word *blasphemy* means to "negate" or "kill off" - i.e. does not exist. Jesus forgives those who blaspheme him.

Matthew 12:32

³² *[Jesus speaking] Anyone who speaks a word against [blasphemy] the Son of Man will be forgiven, but anyone who speaks against [blasphemy*] the Holy Spirit will not be forgiven, either in this age or in the age to come.*

[24] Reward on earth is temporary, while in heaven lasts forever:

Luke 12:33

³³ *Sell your possessions and give to the poor. Provide purses for yourselves that will not wear out, a treasure in heaven that will never fail, where no thief comes near and no moth destroys.*

Also see: **Matthew 6:19-20.**

[25] **Mark 12:28-31 "The Greatest Commandment"**

²⁸ One of the teachers of the law came and heard them debating. Noticing that Jesus had given them a good answer, he asked him, "Of all the commandments, which is the most important?" ²⁹ "The most important one," answered Jesus, "is this: 'Hear, O Israel: The Lord our God, the Lord is one.' ³⁰ Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.' ³¹ The second is this: 'Love your neighbor as yourself.' There is no commandment greater than these."

[26] **John 21:15-17**

Jesus said, "Feed my lambs."

Jesus said, "Take care of my sheep."

Jesus said, "Feed my sheep."

[27] **Hosea 6:6**

For I [God] desire mercy, not sacrifice, and acknowledgment of God rather than burnt offerings.

[28] Love enemies, pray for persecutors:

Luke 6:27-28

²⁷ *But to you who are listening I say: Love your enemies, do good to those who hate you, ²⁸ bless those who curse you, pray for those who mistreat you.*

[29] See [27]. God's "new" and "holy" Jerusalem:

Revelation 21:2 & 102

² *I saw the Holy City, the new Jerusalem, coming down out of heaven from God, prepared as a bride beautifully dressed for her husband. ... ¹⁰ And he carried me away in the Spirit to a mountain great and high, and showed me the Holy City, Jerusalem, coming down out of heaven from God.*

[30] It is estimated that 107 billion humans have been born in all of history, with 7 billion still alive today. That leaves a possible 100 billion humans in heaven already. Given a few thousand square feet per condo, at five to seven stories tall per building, equate to heaven being half to three-quarters full already.

[31] Omitted 8/17/2019.

[32] See: **2 Corinthians 12:1-4**

[33] In heaven are the "People of the Light:"

Luke 16:8

⁸ *The master commended the dishonest manager because he had acted shrewdly. For the people of this world are more shrewd in dealing with their own kind than are the people of the light.*

[34] See [6] or **Revelation 22:16**

[35] Jesus has full authority over humans on earth:

Matthew 28:18

¹⁸ *Then Jesus came to them and said, "All authority in heaven and on earth has been given to me."*

[36] See **2 Corinthians 12:2**

[37] The thunderous music from one hundred million angels singing:

Revelation 5:11-12

¹¹ *Then I looked and heard the voice of many angels, numbering thousands upon thousands, and ten thousand times ten thousand. They encircled the throne and the living creatures and the elders. ¹² In a loud voice they were [singing]...*

[38] God's "unlimited" number of other universes:

Secular non-religious neurologist Dr. Eben Alexander wrote about his near death experience in his book *Proof of Heaven*, where "Om" (God) revealed to him there were an unlimited number of other universes, with many other animals, some even smarter than us. See: *Proof of Heaven, A Neurosurgeon's Journey in the Afterlife*, by Dr. Eben Alexander, MD (2012) and, *Map of Heaven, How Science, Religion, and Ordinary People Are Proving the Afterlife*, by Dr. Eben Alexander, MD (2014.)

Renowned physicist Dr. Stephen Hawking's last paper was published days before his death, and made the argument that the unlimited number of other universes in the multiverse are not that dissimilar from our own. Meaning, based on the fact that human animals exist in our one universe, mathematically guarantees vast numbers of other animals, in the infinite number of other universes, some likely smarter than us.

[40] **The Human Body Energy Surplus:** To keep a human body, about 25 gallons of goo, continuously hot at 98.6 degrees F, given radiation heat loss of about two (2) watts an hour, requires a constant power source equal to two (2) watts an hour. The human heart and brain use about five (5) volts, this leaves amperage about half an amp. The chemical reactions inside a body do not generate this amount of power. There is no explanation for the source of this high amount constant power, save the spirit powering the body.

[41] Spirits are alive until the light of God is cut off, extinguishing them as the second death. But once in heaven, human spirits lives forever:

Revelation 2:11

¹¹ *...The one who is victorious will not be hurt at all by the second death.*

[42] The next life is like being born again into a new life:

John 3:3

³ *Jesus replied, "Very truly I tell you, no one can see the kingdom of God unless they are born again."*

[43] Jesus demanded celibacy from believers going to heaven:

Matthew 19:10-12

¹⁰ *The disciples said to him, "If this is the situation between a husband and wife, it is better not to marry." ¹¹ Jesus replied, "Not everyone can accept this word, but only those to whom it has been given. ¹² For there are eunuchs who were born that way, and there are eunuchs who have been made eunuchs by others—and there are those who choose to live like eunuchs for the sake of the kingdom of heaven. The one who can accept this should accept it."*

[44] Paul told men not to have sex and to stay unmarried.

1 Corinthians 7:1 & 8

¹ *Now for the matters you wrote about: "It is good for a man not to have sexual relations with a woman." ... ⁸ Now to the unmarried and the widows I say: It is good for them to stay unmarried, as I do.*

[45] Prophet Muhammad in the Holy Qur'an reported everyone in heaven was thirty-three (33) years old. Accounts of near death experiences support this as truth.

[46] Jesus said every sin is forgiven:

Mark 3:28

²⁸ *Truly I tell you, people can be forgiven all their sins and every slander they utter,*

[47] Jesus bitterly accused the preachers back then of shutting the doors of heaven:

Matthew 23:13

¹³ *[Seven Woes on the Teachers of the Law and the Pharisees] [Jesus speaking] "Woe to you, teachers of the law and Pharisees, you hypocrites! You shut the door of the kingdom of heaven in people's faces. You yourselves do not enter, nor will you let those enter who are trying to."*

[48] Northside Baptist Church, Charlotte, North Carolina, URL: (<http://northsidecharlotte.com/>) See page "What We Believe" where the below explanation of salvation was obtain as of 9/14/2018:

SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. **Regeneration**, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Savior.

B. **Justification** is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. **Sanctification** is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

D. **Glorification** is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Genesis 3:15; Exodus 3:14-17; 6:2-8; Matthew 1:21; 4:17; 16:21-26; 27:22-28:6; Luke 1:68-69; 2:28-32; John 1:11-14,29; 3:3-21,36; 5:24; 10:9,28-29; 15:1-16; 17:17; Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Romans 1:16-18; 2:4; 3:23-25; 4:3ff.; 5:8-10; 6:1-23; 8:1-18,29-39; 10:9-10,13; 13:11-14; 1 Corinthians 1:18,30; 6:19-20; 15:10; 2 Corinthians 5:17-20; Galatians 2:20; 3:13; 5:22-25; 6:15; Ephesians 1:7; 2:8-22; 4:11-16; Philippians 2:12-13; Colossians 1:9-22; 3:1ff.; 1 Thessalonians 5:23-24; 2 Timothy 1:12; Titus 2:11-14; Hebrews 2:1-3; 5:8-9; 9:24-28; 11:1-12:8,14; James 2:14-26; 1 Peter 1:2-23; 1 John 1:6-2:11; Revelation 3:20; 21:1-22:5.

[49] A day is a thousand years, a thousand years a day:

2 Peter 3:8

⁸ *But do not forget this one thing, dear friends: With the Lord a day is like a thousand years, and a thousand years are like a day.*

[50] See: **John 14:1-6**

[51] The light flowing off of God, lights up all of heaven, being the only source of illumination:

Revelation 21:22-23

²² *I did not see a temple in the city, because the Lord God Almighty and the Lamb are its temple. ²³ The city does not need the sun or the moon to shine on it, for the glory of God gives it light, and the Lamb is its lamp.*

[52] See [30]

[53] See **Matthew 25:31-46**

[54] Jesus said it was nearly impossible to get the wealthy into heaven:

Matthew 19:23

²³ *Then Jesus said to his disciples, "Truly I tell you, it is hard for someone who is rich to enter the kingdom of heaven."*

[55] Feasts in heaven, see **Revelation 19:17-18**

[56] Giving to the poor anonymously creates reward:

Matthew 6:2-4

² *[Jesus speaking] So when you give to the needy, do not announce it with trumpets, as the hypocrites do in the synagogues and on the streets, to be honored by others. Truly I tell you, they have received their reward in full. ³ But when you give to the needy, do not let your left hand know what your right hand is doing, ⁴ so that your giving may be in secret. Then your Father, who sees what is done in secret, will reward you.*

[57] Jesus set the tithing rate at 100%, saying give all the money directly to the poor:

Matthew 19:21

²¹ *Jesus answered, "If you want to be perfect, go, sell your possessions and give to the poor, and you will have treasure in heaven. Then come, follow me."*

Luke 12:33

³³ *Sell your possessions and give to the poor. Provide purses for yourselves that will not wear out, a treasure in heaven that will never fail, where no thief comes near and no moth destroys.*

[58] Jesus explained he was the light.

John 12:35-36

³⁵ *Then Jesus told them, "You are going to have the light just a little while longer. Walk while you have the light, before darkness overtakes you. Whoever*

walks in the dark does not know where they are going. ³⁶ *Believe in the light while you have the light, so that you may become children of light."*

[61] Jesus gives each person their reward, in person.

Revelation 22:12

¹² [Epilogue: Invitation and Warning] "Look, I am coming soon! My reward is with me, and I will give to each person according to what they have done."

Matthew 16:27

²⁷ *For the Son of Man is going to come in his Father's glory with his angels, and then he will reward each person according to what they have done.*

[62] Jesus is seated to the right side of God:

Matthew 26:64

⁶⁴ "You have said so," Jesus replied. "But I say to all of you: From now on you will see the Son of Man sitting at the right hand of the Mighty One and coming on the clouds of heaven."
