

Why Churches Cannot Defend Marriage

The original version of this sermon was published on February 13, 2023, but due to the continued rise of what I call *The Church of Hate*, I feel compelled to update and republish under the same title.

Over the last forty years, as white evangelical churches abandoned Jesus Christ and aligned themselves with a *doctrine of hate* of right-wing political extremism, their support and even demands of marriage for members has normalized marriage as being a *traditional Christian family value*.

The common denominator of those demanding the practice of marriage for Christians, is that they have never read their ENTIRE bible, and/or they reject Jesus Christ in favor of sex being more important than God.

Churches Pushing Marriage

As an example, New Jersey based Pillar Ministries, an owner of several radio stations and churches, being a well-known notorious gay bashing *church of hate*, published on their website (2023) and that of their failed church plant in Cincinnati, Ohio (Invictus Church) the following demands for all of their members and pastors.

Statement on Marriage and Sexuality

We believe that the term “marriage” has only one meaning and that is marriage sanctioned by God which joins one man by birth and one woman by birth in a single, exclusive union, as delineated in Scripture. We believe that God intends sexual intimacy to only occur between a man and a woman who are married to each other. We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We consider all marriage ceremonies to be worship services. Due to our biblical conviction and denominational precepts, a pastor (or any other qualified official or organizational representative) will not be permitted to perform a transgender or same-sex “marriage” on the property or within facilities under Pillar Ministries control.

We believe that any form of sexual immorality, as stated in the Bible, is sinful and offensive to God.

We believe that in order to preserve the function and integrity of the church as the local Body of Christ, and to provide a biblical role model to the church members and the community, it is imperative that all persons employed by the organization in a capacity, or who serve as volunteers in a ministry capacity, should abide by and agree to this Statement on Marriage and Sexuality and conduct themselves accordingly.

The Facts

Under God's original form of marriage, once two people had sex with each other for the first time, the act of sexual intercourse itself established the marriage contract. Neither partner could ever divorce for the rest of their lives.

God's original version of marriage came to an end 3,000 years ago when Moses allowed divorce for any reason. What existed thereafter, was nothing more than a temporary relationship of paid prostitution.

Jesus Christ explained this exact situation and then demanded celibacy for Christians concerned with going to heaven (Matthew 19.) For those already married, Jesus said they could never divorce except for adultery.

Paul ordered men not to have sex with women, and to stay unmarried as was he (1 Corinthians 7.) Paul explained why married Christians were useless to God because their interests were divided. Saying married Christians serving their spouses one-hundred percent of their time, left zero percent of their time to serve God (1 Corinthians 7:32-35.) Paul thinly allowed marriage but only for those who had no physical control over their own bodies, rendering them useless to God, while those who did not marry were better than those who did (1 Corinthians 7:36-38.)

Today's Marriage Civil Contract

The only form of marriage we have today, is man-made government regulated civil contracts of paid prostitution. In the United States these contracts of prostitution are regulated by state law, and come complete with family court judges who make certain the whores are paid in full.

Marriage today is nothing more than the keeping of whores, both male and female. God's original form of marriage is never coming back. Those who claim to have "***biblical***" or "***forever***" marriages are always the first party to seek a family court lawyer upon first sign of trouble.

How can Christians and their churches defend this marriage of keeping whores? They must remain celibate according to Jesus, or are completely useless to God according to Paul.

Abstinence Before Marriage

Chrisitan churches go to great lengths demanding their youth abstain from sex until they get married, even requiring their youth sign contracts. But since it is the very act of sexual intercourse that creates marriage, is it not true that we were all virgins before we got married?

These churches are actually demanding their youth abstain from sex until after they sign their state's civil contracts for paid prostitution. Christians are not to engage in prostitution, yet churches demand it as if a *biblical* requirement.

Normalized Marriage

It is amazing how Christians have normalized marriage today. They reject God and Jesus by getting married, because they are horny sex demons passing off their hedonism claiming such is holy and pleasing to God.

Further, churches such as Pillar Ministries require that ejaculations and orgasms can only take place between one penis by birth and one vagina by birth only after signing the civil marriage contract paying for their prostitutions. No other forms of ejaculations or orgasms can occur.

Gay people and the transgendered are prohibited from having ejaculations and orgasms as dictated in their *church doctrine* and practice. As their pastors of *hate* go home and screw their whores.

Chrisitan Marriage Requires the Enslavement of Women?

Ephesians 5:22-33

²² Wives, submit yourselves to your own husbands as you do to the Lord. ²³ For the husband is the head of the wife as Christ is the head of the church, his body, of which he is the Savior. ²⁴ Now as the church submits to Christ, so also wives should submit to their husbands in everything. ²⁵ Husbands, love your wives, just as Christ loved the church and gave himself up for her ²⁶ to make her holy, cleansing her by the washing with water through the word, ²⁷ and to present her to himself as a radiant church, without stain or wrinkle or any other blemish, but holy and blameless. ²⁸ In this same way, husbands ought to love their wives as their own bodies. He who loves his wife loves himself. ²⁹ After all, no one ever hated their own body, but they feed and care for their body, just as Christ does the church— ³⁰ for we are members of his body. ³¹ “For this reason a man will leave his father and mother and be united to his wife, and the two will become one flesh.” ³² This is a profound mystery—but I am talking about Christ and the church. ³³ However, each one of you also must love his wife as he loves himself, and the wife must respect her husband.

We know today that Paul did not author all of his letters, and we do not have any original letters from the time written. Out of thirteen letters traditionally credited to Paul as author, five of them are forgeries (Ephesians, Colossians, I Timothy, II Timothy, Titus) while one had a co-author (I Corinthians.)

The above ***enslavement of women*** was not written by Paul and comes from a forgery. It was written by some penis in conquest of women by posing as Paul. Not only is this something Paul would never write, it does not even make sense.

Since God originally designed for “***two will become one flesh,***” this connotes an ***equal union***, and certainly does not manifest a ***master/slave*** relationship. There is also no logic between “***as the church submits to Christ***” therefore “***wives should submit to their husbands in everything.***” This statement makes no sense, there is no corollary between the two statements, and has no theological support. It is pure *bull dung*.

The three other verses in the New Testament demanding wives become slaves to their husbands, all come from letters discovered as forgeries. We know today that Paul was not the author of Colossians.

Colossians 3:18

¹⁸ Wives, submit yourselves to your husbands, as is fitting in the Lord.

The other two verses come from letters with Peter as the self-claimed author, but we know today that I & 2 Peter were written long after Peter’s death and likely after the 70 AD destruction of the Temple.

1 Peter 3:1

¹ Wives, in the same way submit yourselves to your own husbands so that, if any of them do not believe the word, they may be won over without words by the behavior of their wives,

1 Peter 3:5

⁵ For this is the way the holy women of the past who put their hope in God used to adorn themselves. They submitted themselves to their own husbands,

These verses make no theological or even logical sense, and perhaps the reasons these forged letters were even included in the Christian cannon, is because a group of ***only men*** made the decisions to include them.

Jesus and Paul were feminists. It was a group of wealthy women who bankrolled the three-year traveling ministry of Jesus, and the first churches were started and pastored by powerful female pastors. In fact, five churches Paul traveled widely all had female pastors, so the idea that either Jesus or Paul would somehow require women to become slaves to their husbands contradicts their words and actions. See my sermon “*The Rise of Women in the End Times.*”

In conclusion, not only have Christians normalized marriage that is nothing more than the keeping of whores, they further demand the enslavement of women, all based on forged *bulldung* writings passed off as being words from God.

The next time you hear anyone speak of *traditional Christian marriage*, you can be certain they never read their ENTIRE bible, and are likely just another penis protecting his power with pleasing lies.
